

DAWSON ON FIRST MID-CANADA TOUR

Ken Dawson, Director of Northern Area Studies recently joined 50 Canadian businessmen on the first Mid-Canada Development Corridor tour. The tour began in Edmonton and included stops in more than 10 northern communities including Fort McMurray, Yellowknife, Inuvik, Tuktoyaktuk, Whitehorse, Prince George and a side trip to Dawson Creek.

The purpose of the tour was to view at first hand the problems of living in the north and to assess its potential for development for the people of Canada.

"Members of the tour appeared shocked and surprised at the life style in the far northern areas" commented Dawson. "They had no idea of the problems imposed on the people in these areas until they visited the communities."

Dawson is a member of the Corridor's Environmental and Ecological Task force which will meet in Toronto in December to review the trip.

In addition to other field trips in northern Canada, a major Mid-Canada tour of northern Scandinavia and Siberia will take place in June, 1970

WINTER CARNIVAL '70

Winter Carnival is still eight weeks away but preparations for the annual event have been underway for over a month.

The Carnival Committee, headed by Chairman Sean Cook, is organizing nine full days of fun and folly this year. Some of the events already planned include the torchlight parade, formal ball, float parade, International Night, Fred Flange's Fling and a barn dance. As a special attraction Comedian Dick Gregory will perform in concert during the festivities.

Sean and other members of his community request that students pick up entry forms for snow sculpturing, Carnival King and Queen and float parade at the Winter Carnival Office as soon as possible to insure the success of Carnival '70.

**Something for Everyone****L.U. STUDENT TELEVISION**

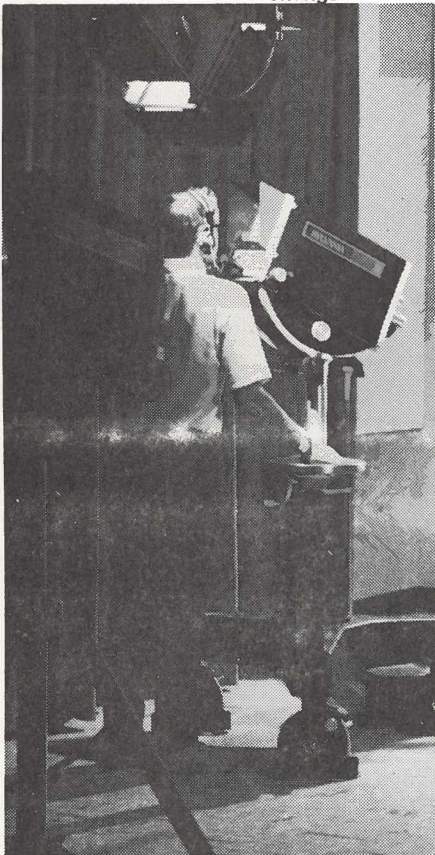

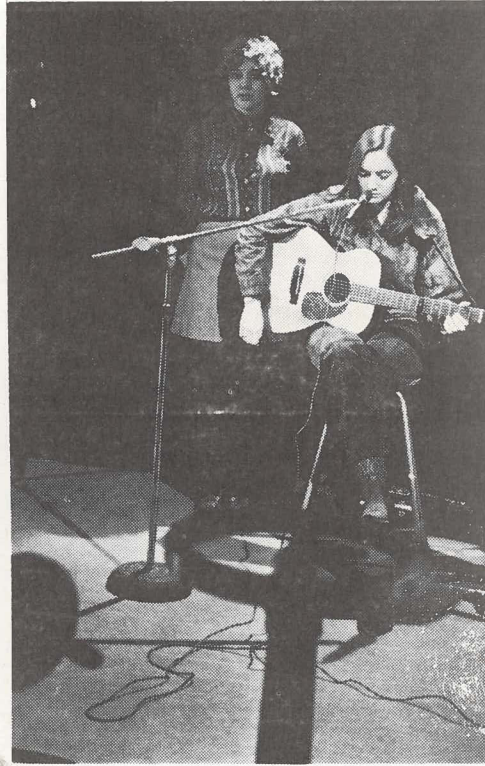

With the co-operation of the University's Audio Visual Dept., Lakehead University Student Television (LUST) has now produced four entertaining and informative programs since the new 1969-70 season began in October. The half-hour videotaped programs are filmed in the AVA studio each Monday and shown on close-circuit T.V. monitors at 12:30 p.m. in the Great Hall the following Tuesday through Friday.

Clayton Petrick, Executive Producer and Producers Laird Anderson and Dave Gilchrist, vary the content of the shows as much as possible with interviews, skits, special documentaries, issues and entertainment. A number of features, however, are continued weekly. These include campus news (with Mike Gravelle) and sports (with Larry

Hebert) a help-wanted segment and "Comment". Individual students and representatives of campus clubs or organizations are invited to present their views, complaints or ideas on "Comment" to the student body and Faculty.

The producers and other LUST regulars welcome suggestions, help or comments for future shows. Students should also note that positions are open for anyone interested in any aspect of television including announcing, interviewing, script writing, photography, carpentry, research and others.

Material should be submitted at least a week in advance to the LUST office located in the lower floor of the University Centre (just down from the games room) or c/o the AMS mail box.
