Student Union

HANDBOOK '76

prepared and published by
Lakehead University Student Union in
association with Lakehead University

Editors: Nick Joblin and Kerry Brown

Grateful acknowledgements to the many
members of the university community
for their contributions

MESSAGE FROM THE EDITORS

You have chosen university. Welcome! Especially welcome to Lakehead. We are certain that once you have explored the campus and its truly northern setting you'll want to take full advantage of the opportunities and utilize the facilities available to you to the fullest extent.

The Lakehead University Student Union has published this handbook to familiarize you with the campus community, its contents, and its organizations. In addition, it is a guide to Thunder Bay; things to do, places to go, and what to see.

We hope this book will answer some questions and provide some solutions to problems you now have. In addition this year's handbook should be of value and use during the year.

Our best wishes for a very successful and enjoyable academic year.

The Editors
Kerry Brown
Nick Joblin

PRESIDENT'S MESSAGE

I would like to take this opportunity to welcome you to the Canadian University Campus of 1976, and more specifically to this particular Grove of Academe, Lakehead University. Welcome!

You people are of a special breed, the university student of the 70s. Gone are the days where university was a temple of reflective thought, the scene of intellectual trubulence, or a centre for social change. Today, the campus of 76 is merely a larger, duller, more impersonal high school where students scramble for marks.

Why has this happened you say? What has caused this change? Mainly, because several fundamental differences exist between the student of the 60s and the student of the 70s. Firstly, the student of the 70s has had to struggle harder and save more to attend university. This is mainly caused by a shortage of summer jobs, a substancial increase in enrollment, a percentage increase in applications for financial assistance that is double the increase in enrollment, and a general tightening of provincial funding for education. Hence, the student of the 70s is geared twoards educating himself towards a career. Secondly due to the high unemployment rate, there exist students that look a lot older than you expect to find at Lakehead University. These mature students are here to improve their job marketability. They have found it either impossible to find a job or one where they are able to have a standard of living they are satisified with. These are the students found on the campus of 1976.

Inclosing, I wish you every success in your search for jobs, security, money. I hope that this handbook will make the task that much easier, and will encourage and inform you of places to go and things to do while in pursuit of your academic goals. Valerie Ross has stated; "The Flower Childern of the 60s wanted to make love, the Flour Childern of the 70s - dough." Good luck to you, the Flour Childern of Lakehead University.

Sincerely Yours,

Nick Joblin,
PRESIDENT.

Every registered student at Lakehead University automatically becomes a member of the Student Union which forms the recognized student government.

Every member may participate in all activities of the Student Union and in all elections of exective and council members.

EXECUTIVE OFFICERS

The officers of the Student Union are Nick Joblin, President; Russell Gordon, Vice-President of Academics; Bernie Willis, Vice-President of Programming; Fritz Eggel, Vice-President of Finance; and Barry Plumb, Vice-President of External Affairs.

The Student Union has two full-time employees: Ms Deanna Tarnawa, the Business Manager; and a Secretary /Receptionist, Mrs. Lorraine Harris.

STUDENT UNION COUNCIL

The Student Union is governed by a Council of representatives elected each year by students of the individual faculties. University Schools has ten represenatives, Monty Badanai, Frances Bennett, Kerry Brown, Wilma Cornelissen. Ernie Gardy, Kerry Kennedy, Brian Mitsunaga, Greg Ribotto, Sandy Smids. Allen Young. One Science Representative Bill Furlong and one Arts Representative Bob Wakulich.

The Student Union Council is the seat of power in the student government provided it has the will to exercise its constitutional powers. This is where any political and social issues are debated.

The Council elects personnel to the various Student Union Standing Committees (Food Committee, Conference Committee, Finance Management, Bookstore Committee, Standards Committee) and to the University Community Committees, and Bodies (Presidential Food Advisory Committee, University Committee, Lakehead University Parking Committee, Athletic Advisory Board, ect.) as well as all the various Senate Committees and the Student Senators.

The Student Union Council ratifies all executive appointments such as Chairman of Council, Associate Justices for the Judicial Committee and the Editor of the Argus.

The Council sets the budgets for the Student Union after considering the proposed budget by Finance Management for the Executive, General Administration Clubs and suborganizations, Argus, Council projects, etc.

When the Executive Committee brings in a policy recommendation to Council, the Council can adopt it, modify it, vote the recommendation down or replace it with one of their own.

The Student Union Council meetings are held in the Board Room, UC-2014 and are open to all students.

OFFICE

The Student Union Office is located in UC-1007. It can also be reached by telephoning extension 259. The individual members of the Student Union executive may be reached by phoning the locals listed at the back of this book.

The correspondence to the Student Union may be addressed as follows;

(name of appropriate person)
Lakehead University Student Union
Lakehead University
Thunder Bay, Ontario (P7A 5E1)

STUDENT UNION AFFILIATIONS

A.O.S.C. -Association of Student Councils
O.F.S. -Ontario Federation of Students
N.U.S. -National Union of Students
W.U.S.C. - World University Service of Canada

For information on these various national and provincial organizations, contact the Vice-President of External Affairs.

JUDICIAL COMMITTEE

The L.U.S.U. Judicial Committee is composed of three Associate Justices. They are concerned with behaviour and welfare of students on campus, and the three Justices function as a tribunal. A student may be charged for misconduct on campus and at campus events. Serious infractions involve a hearing for evidence and, if warranted, a trial. Defence and Prosectution Student Attorneys and the Clerk are appointed by the Judicial Committee.

CLUBS, SOCIETIES and ORGANIZATIONS

A host of clubs, societies and sub-organizations are sponsored by the Lakehead University Student Union. These organizations are valuable in that they provide an outlet for students' creative abilities and enhance the image of the University through consistent community involvement.

These clubs are;

- Art and Literary
- African and Caribbean
- Anthropology Club
- Bio-Chem
- Business Club
- Chess Club
- Chinese Students
- Economics Club
- Education Students
- Engineering
- Film Society
- Forestry
- Geology
- International Students
- Library Tech
- Math Club
- Multicultural Club
- Native Students
- Nursing (L.U.N.A.)
- Outdoors Club
- Photo Club
- Physical Education
- Pyschology Students
- Recreational Experience Club
- Social Work Students

There are also other groups on campus that are not really clubs (due to political or religious affiliations) such as the Inter-Varsity Christian Fellowship, International Meditation Society, and Young P.C.'s.

If there is no club on campus that deals with your particular interests, get some people together (minimum of 15) and come and see us.

REMEBER, IF YOU DON'T GET INVOLVED WITH CLUBS, YOU LOSE! YOU WON'T GET FULL VALUE FOR YOUR ACTIVITY FEE, PLUS YOU'LL MISS MEETING A LOT OF INTERESTING AND INTELLIGENT PEOPLE. IT'S YOUR CHOICE AND YOUR DOLLARS!

L.U.S.U. SERVICES

Student Typing Service

Lakehead University Student Union has room UC-1010 set up as a student typing area. The room is open from 9 a.m. until 5 p.m. Monday through Friday. If you require the room after those hours, you must fill out a form from the LUSU Secretary so that security will open the room for you. In addition, the Business Club have their machine and the Faculty of Education Society have a typing centre in their office.

If you are in dire need of a typist, you can usually find a list of available typists on at least one of the bulletin boards around the campus. Also watch for ads in the Argus or inquire at the LUSU office.

Student Printing & Typesetting Service

LUSU has made an arrangement with the University Printing Department to have student material printed through the LUSU secretary in UC-1007. Payment must be made before material can be picked up.

The Argus has a printing and typesetting service located in UC-0019.

Photocopying

If you require photocopy duplication, there is a coin-operated maching avialable for general use on the second floor of the Library.

Room Bookings

Any student who wishes to book a room controlled by the Student Union (Council Chambers, Aesthetics Lounge, Typing Room, Great Hall) must pick up a room booking form from the Student Union Office, therein assuming full responsibility for the said room and agreeing to leave it in a clean and orderly fashion.

Any student who wishes to book the Faculty Lounge must get approval of the Faculty Lounge Representative, currently Professor Victor Smith, of the History Department.

Any student who wishes to book the rest of the rooms in the university (U.C. Theatre, Main Cafeteria, Lecture Theatres, Agora, Classrooms, etc.) must get the

approval of the Director of Physical Service in UC-0003M.

Vending Machines

The games room, as well as having a vast array of pinball machines for fanatics or soon-to -be-fanatics, is equipped with a variety of vending machines dispensing chocolate bars, sandwiches, pastries, hot and cold drinks, chips, etc. You can get cigarettes, chocolate bars, gum and change for a quarter from machines in the cafeteria Change for a dollar can be obtained upon pleading with the circulation desk at the library if the bank and the Matchbox are closed.

Travel Services-AOSC

The Association of Student Councils (AOSC) is a student travel co-op that can provide you with an International Students Card. This card gives you discounts on special chartered flights to just about anywhere, rail passes and accomodation. Give LUSU two bucks, a recent passport-size photo of yourself, and proof that you have been a full-time student sometime during the past year, and we'll set you up.

AOSC also provides us with schedules of flights and rates, and a little booklet called Student Travel Guide to Europe. We have copies of this gem, and it might just be worth your while to drop in and pick up a copy.

Come to LUSU for information regarding student group flights, charters, youth fares, and reduced travel costs in general.

Student Lounge

The Student Lounge was opened in January, 1974 and is representative of almost a third of all student funds for the 1973-74 academic year. When the cafeteria is too noisy and the library is too quiet, it is a comfortable and convenient place for you to meet your friends and rest your weary bones. There are card tables, coffee tables, chairs, couches and wall to wall carpeting - lots of room to stretch out. We don't suggest wrestling, drinking or eating in the lounge since it costs a lot of your money and will cast a lot more if people decide to spill, rip, bend, fold or otherwise deface the furniture.

The lounge has a colour television donated by Summer Session Society 1973 and a cable service.

During major licenced events held during those times when classes are not in session, the lounge is locked so that no one from outside the university can tear the place apart. (We know that students don't do things like that.) However, when beer gardens and other such going-ons are happening the student lounge will still be open for use

If you are in the lounge and you're unhappy about someone making a ruckus, you can tell them to be quiet, and the TV can be turned down, so you can tell'em to turn that thing down too.

Squash Courts in the Main Building

One of the most recent features added to the list of services offered to the University Community by LUSU is directed at the Squash 'Buff'. Up to recent times a rather unsatisfactory if not fustrating procedure was used to book the two squash courts in the Main Building. After numerous complaints the then Vice-President of Finance and present President of LUSU, Nick Joblin initiated a system whereby the Main Building Squash Courts are reserved through the LUSU Office.

The new system is as follows;

1) squash courts may now be booked only in person or by phoning the LUSU Office, UC-1007, Ext. 259, between the hours of 9 a.m. and 5 p.m. Monday to Friday,

2) squash courts may be booked one day in advance Tuesday to Saturday, and on the Friday before for Sunday and Monday,

3) only full-time students, and faculty, staff, alumni, and part-time students holding current athletic memberships will be allowed to book courts,

4) an individual is not allowed to book more than one hour per day and bookings must be made on the hour (i.e. not 4.30 p.m. to 5.30 p.m.)

5) at 5 p.m. Monday to Thursday, the schedule for the next day will be placed in the window of the LUSU office door for view,

6) at 5 p.m. Friday the schedules for Saturday, Sunday, and Monday will be on view on the inside of the glass of the LUSU office door.

ACTIVITY FEES

Every full-time student pays $62.50 in activity fees. The Student Union recieves $25.00, the Student Committee on Athletics receives $27.50 and the Health Unit Budget recieves $10.00

Both Athletics and the Health Unit are administered by the University. The Athletics spending is recommended by the Athletic Advisory Board which is representative of all groups using the facilities.

WHAT HAPPENS to YOUR FEES

LUSU is responsible for providing and financing the majority of student services on campus. These services include dances and beer bashes, typing facilities, off-campus housing, budgetary assistance to LUSU clubs, Winter Carnival, the Argus, the film series, concerts, and the Recreational Resource Centre, to mention a few. Through these functions and activities, which are directly funded by your activity fee LUSU attempts to 'maximize your return', on the fees you have paid.

THE ARGUS

They say that if you want to get involved and find out about things at L.U., you should work for the Argus.

They're right.

The Argus is the weekly (more or less) student newspaper on campus. The opinion expressed are those of someone on the staff unless otherwise stated; not necessarily those of LUSU Council, Executive nor of the University.

The Argus publishes 4,000 copies weekly but that should not scare anybody who wants to work on the newspaper. Most people who get involved on the paper come in with little or no experience initially.

Anybody can work for the Argus. There are no try-outs or literary tests, and probably enough variety to please all. No one is rejected because of political beliefs. The 'blue pencil' is saved for cases of libel.

Unlike many groups which criticize it, the Argus does not have an authoritarian decision-making structure.

The best time to drop around the Argus Offices (located in the basement of the University Centre, past the back of the Games Room in UC-0019) is on production day - usually Sunday evenings.

The editors for this fall and winter are Bob Wakulich and Sue Stewart.

Everybody reads the Argus, if only to swear at its contests and to see what movies and social events are going on. Drop in.

LOST AND FOUND

Lost and Found is operated by the Security Office and is located in the basement of the Agora in room UC-0003G, or may be reached by phone at extension 569.

CANADA MANPOWER CENTRE -STUDENT PLACEMENT OFFICE

The Canada Manpower Centre Student placement Office is located on the second floor of the University Centre building, up the stairs opposite the Student Lounge. Mr. Maurice Ktytor is the Director John Miller and Yvettee Tougas are placement officers. Operating throughout the year, the office provides the following employment services for students:

Career Planing

The student placement counsellors are available to assist students in investigating career areas, exploring employment opportunities, and getting jobs as quickly and easily as is humanly possible these days. You'll have less trouble getting a full-time permanent-type job if you learn the ropes at the Student Placement Office early in your undergraduate experience.

You can do this by attending a few career planning seminars that are offered throughout the year periodically. They handle information about selecting jobs, preparing resumes, having effective interviews, gathering references, etc. and are open to you.

Job Information Centre

This year a new service will be provided by the Student Placement Office. The Job Information Bank will be set up in the Student Lounge across from the placement offices in mid-fall. It will allow you immediate access to binders with lists of all companies that will be recruiting employees on campus along with information about their company policy, positions available, training programs offered, qualifications required, and any other areas of inquiry. The details for companies that won't be actively recruiting on campus this year will also be listed in library fashion.

Recruiting

Beginning during the last week in Oct., the Student Placement Office recieves scheduled visits from representatives of Canadian employers who are interested in interviewing Lakehead grads for full-time permanent employment. If you are interested you'll need to submit a resume ahead of time though. Watch the Argus and check the Job Information Centre for details about recruitors' visits.

Summer Jobs

CMCS provides an extensive service to students in need of summer employment. As positions become available at the Placement Office they will be posted at the Job Information Centre. If you need more information than what is available, just ask a counsellor. You should begin periodic checks of summer employment opportunities during late fall because while most jobs aren't registered until January, some competitions preceed the Christmas Holidays! Remember: Register early, keep up regular contact with the Student Placement Office, and check out more than one area of interest.

Part-Time Jobs

If you're going to have to supplement your income and/or look into some interests, you should register you name, qualifications, experience, interests and availability with the Student Placement Office as soon as you can.

Important Facts

Once you register at the Placement Office, don't stop checking with them until you've found some kind of a satisfactory position.

If you take a job outside of the Manpower Service, let the counsellors know that you've found one.

Investigate the employment opportunities completely before you assume you aren't qualified for a particular job!

UNIVERSITY GOVERNMENT

Board of Governors

Own the University's physical assets.

All the powers which are conferred by the Student Union constitution are at all times subject to the plenary powers of the Board of Governors of Lakehead University. The Student Union President sits as an ex-officio observer.

The Senate

The Senate is the highest academic body within the University. Three elected students sit as full voting members.

If you wish to attend a senate metting, tickets are available from the Office of the Secretary of the University.

Senate Committees

The senate has Committees, on which students sit, that advise Senate. These committees include Admission and Scholarship, Academic Planning, Judicial Executive, Graduate Studies, Research, Library, Organization, Academic Services, and Continuing Education.

If you are interested in serving on any of these Committees, see the Vice-President of Academics in UC-1016

THE DEAN OF STUDENTS

The Dean of Students and his staff are concerned with helping students to take advantage of the opportunities the university offers for personal growth, both intellectual and emotional. A number of problems often interfere with a student's academic and social development. The Dean of Students is responsilbe for the following services that aim to help students resolve their personal, educational, and vocational problems.

Student Financial Aid
Student Health Services
Foreign Student Advisory Services
Student Off-Campus Housing Service
Educational, Vocational and Personal Counselling Services.

His office works closely with the on-campus Canada Manpower Office, the Director of Residence, the Registrar's and Admissions Office, the Faculty offices and the Lakehead University Student Union.

Dean of Students as a Counsellor

The Dean of Students provides a personal and confidential counselling service for all students on campus. Students have many and varied problems. Some arise out of the situation in which the student finds himself. While these tend to be temporary they produce anxiety and lower intellectual efficiency. Other problems are connected with a choice of courses or a vocation. Still others revolve around the questions, Whom shall I see? What do I do? Many student difficulties arise out the the breakdown of traditional values and the search for new ones, the relationships to family, to friends, to other students, to faculty and to the Administration. Counselling helps students to resolve their problems and to develop the full range of their talents.

If you have a problem of any kind, find yourself bewildered, or just suffer from general disorientation the Dean of Students as a Counsellor, will always be available to you. His office is the first in the series that runs along the west side of the Agora UC-1002. Extension 206.

Student Finanical Aid

Ms. Roberta Hannah, the Assistant to the Dean of Students and Ms. Tracey Marks are responsible for administering the Ontario Student Awards Program. They are also responsible for other forms of student aid such as scholarships and bursaries, loans and grants, as well as providing advice and information to help students deal with a wide variety of financial problems.

Scholarships and Bursaries are awarded by the Scholarships and Bursaries Committee which acts in an advisory capacity to the President. The Dean of Students is the chairman and his assistant is the secretary, In awarding scholarships, the committee considers primarily the academic achievements of the candidate and secondarily his or her need whereas in the awarding of bursaries the need of the applicant plays the greater part in the committee's decision Both scholarships and bursaries, however, represent a recognition of ability and promise. In this context the Dean of Students and his staff must interpret to students the terms and conditions of the various scholarships and bursaries and make them aware of their own responsibilities. Application forms for scholarships and bursaries administered by the university can be obtained from the Dean of Students Office.

The Ontario Student Awards Program is the prime source of financial assistance. Application forms and the explanatory brochures can be obtained from the Dean of Students Office. Private counselling relating to the student's status, eligilbilty, possible appeals for review is avialable from the staff.

FOREIGN STUDENT ADVISORY SERVICES

Overseas students who need information about the university, finanical matters, immigration requirements may consult the Dean of Students or his assistant. The services offered on a continuing basis include personal counselling, assistance with immigration, liaison with governments, administrative support for foreign student organizations and a general 'ombudsman' role to assist foreign students in their dealings with the University and community.

The Dean of Students' office co-operates with the International Students' Organization to provide a reception service throughout September for newly arriving foreign students. Under a similar co-operative effort hospitality is offered to foreign students by Thunder Bay residents at such times as Thanksgiving, Christmas, and other holidays.

LEGAL AID

It's extremely important to get yourself a lawyer as soon as you find yourself involved in a specific legal problem. It often happens that failure to exercise your rights is considered 'waiving your rights'. Therefore, if you haven't a lawyer and/or you don't think you could pay one, call Dean Kerr at Extension 206 here at the University or stop in to see him at UC-1002 which is behind the first yellow door to the right of the Agora as you enter the front doors. If necessary, he, as the Dean of Students can refer you to a lawyer depending on the type of help you need. The local Legal Aid office is located at 277 Cameron Street in Thunder Bay 'P'. You can call the office at 345-1972. Their function is to interview you, assess you finances and consider your problem. If you qualify, you will be given a certificate that can be taken to any lawyer who would handle your case. He/she will then be paid by the Legal Aid department. Dean Kerr can help you get your financial and legal situation together in a form suitable to present to the Legal Aid office if taking your case to Legal Aid would, in fact, be beneficial.

If you end up going into a court case without a lawyer, don't answer any questions or sign anything if you want to avoid incrimination. Once you get into the court room. you'll have access to the 'duty counsel' who is a lawyer stationed in court to represent people who don't have a lawyer.

STUDENT HEALTH SERVICES

The Health Unit is located in a wing of the Women's Residence opposite the tennis courts, It contains an infirmary of two five bed wards, two isolation one bed rooms, two examining rooms, a nurses station and a doctor's office.

The Infirmary is used to give students nursing care who are not sick enough to send to hospital but too sick to leave in their rooms on or off campus.

Dr. William Diggins and his partner Dr. Clayton Eyjolfson conduct four clinics a week. Students can make arrangements to see either of the physicians through Miss Jessie Sutherland, R.N.B.A. the University Nurse.

The Student Health Service provides twenty-four hours a day coverage throughout the year to deal with medical emergencies.

All medical information collected by the Student Health Service is strictly confidential and will not be released to any person or agency with out the written consent of the student.

Dr. William Diggins, as a skilled and experienced Family Practitioner is well qualified to deal with the personal and emotional problems of students. When the problems are severe he is able to refer the student to one of the two psychiatrists with whom he maintains working contact.

THE LIBRARY

This section of the Student Handbook is intended as a guide to the materials and services of the University Library, and contains as much useful information as possible.

The professional staff also is trained to assist users, and readers should not hesitate to seek the help of the Reference and Readers' Services staff or any other member of the staff in case of difficulty.

The Library is approximately eighteen years old, and has evolved from its original foundation as the Library of the Lakehead Technical Institute. The Institute became the Lakehead College of Arts, Science and Technology in 1956, and finally Lakehead University in 1965. Since 1965 the Lakehead University Library has been a participating institution in Ontario's provincially supported universities system.

The present holdings of the Library comprise approximately 200,000 volumes supplemented by the equivalent of between 20,000 and 30,000 volumes on various microforms. The Library also recieves nearly 3,200 titles regularly.

The former Teachers' College Library still occupies separate premises on the campus as the Education Library. Although the Education Library serves primarily the needs of the Faculty of Education; it is, however, open to all members of the University.

The Lakehead University Library collection also includes antiquarian and archival material with special emphasis on items of local significance. In these areas co-operation is established with other instituations in Thunder Bay.

The Library policies are determined by the Senate Library Committee composed of members of the University community ex-officio, including the Chief Librarian and Education Librarian, representatives of each Faculty and the University Schools, and undergraduate and graduate representatives of the student body. The Education Library Committee is a sub-committee of the Senate Library Committee and is comprised of the Dean and three members of the Education Faculty, the Chief Librarian, the Education Librarian and three student representatives.

In addition to the above policy-making committees there is also an independent advisory committee called the Library Users Committee which consists of three student representatives of the Senate Library Committee and representatives (usually two) of the Library staff. This committee provides a means for discussions on the problems of the users of the Library particularly the undergraduate and graduate students, and suggestions, etc. may be submitted to it at any time through the Circulation Desk.

Although the Library caters primarily to the members of Lakehead University it also welcomes all members of the community to make use of its collection. No particular restrictions are placed on the use of the material within the Library, and books may be borrowed under certain conditions.

Borrowing of Books

Registered users of the Library may borrow for reading outside the building. Books scheduled for borrowing have a card pocket in the back of the volume. Method of issue will be explained by the Circulation Desk staff or the assistant at the Information Desk. Material scheduled to be kept permanently in the Library has a stamp or label to this effect in place of the card pocket and will only be issued with special permission from Senior Library Staff.

There is no restriction at present on the number of books which can be borrowed at one time. Normally Undergraduates may keep books from the open stacks for two weeks.

The Academic and Senior Administrative Staff and members of the Board of Governors may borrow books from the open stacks for longer periods. Books will be recalled at the end of the academic year or at the end of Summer Session. However, they should be returned earlier if they are no longer in use, and must be returned on request if required by another reader.

Graduate students have the same borrowing privileges as Faculty at present.

Reserve books are books which normally may be borrowed for two weeks, but which are temporarily put on reserve when in

great demand. They are shelved at the Circulation Desk. An index to the books by author and by course is at the Desk and any book listed may be obtained from the Staff by request. Because there is a heavy use of these books by Undergraduates for a limited period, the Academic Staff are requested not to borrow them.

Those books with pink cards at the back, may be kept three days. Those with yellow cards may be kept for two hours and not to be taken out of the Library. There is a limit of two reserve books per borrower, one for each of two courses.

The attention of readers is called to the regulations regarding fines for overdue books and replacement of lost books. The names of those owing fines and of other defaulters are posted on the Library notice board, and notified to the Accounts Department. Fines, etc. must then be paid to the Accounts.

Hours of Opening
During the FALL and WINTER terms:

Monday to Friday	8:30 a.m.- 12:00p.m.
Saturdays	9:00 a.m.- 5:00p.m.
Sundays	2:00 p.m.- 10:00p.m.

(During examination periods the weekend hours are extended.)

During VACATION:

Monday to Friday	9.00 a.m.- 5:00p.m.
Sat. and Sun.	closed

Any changes in the above schedules will be posed well in advance on the Library and Dean of Students' notice boards.

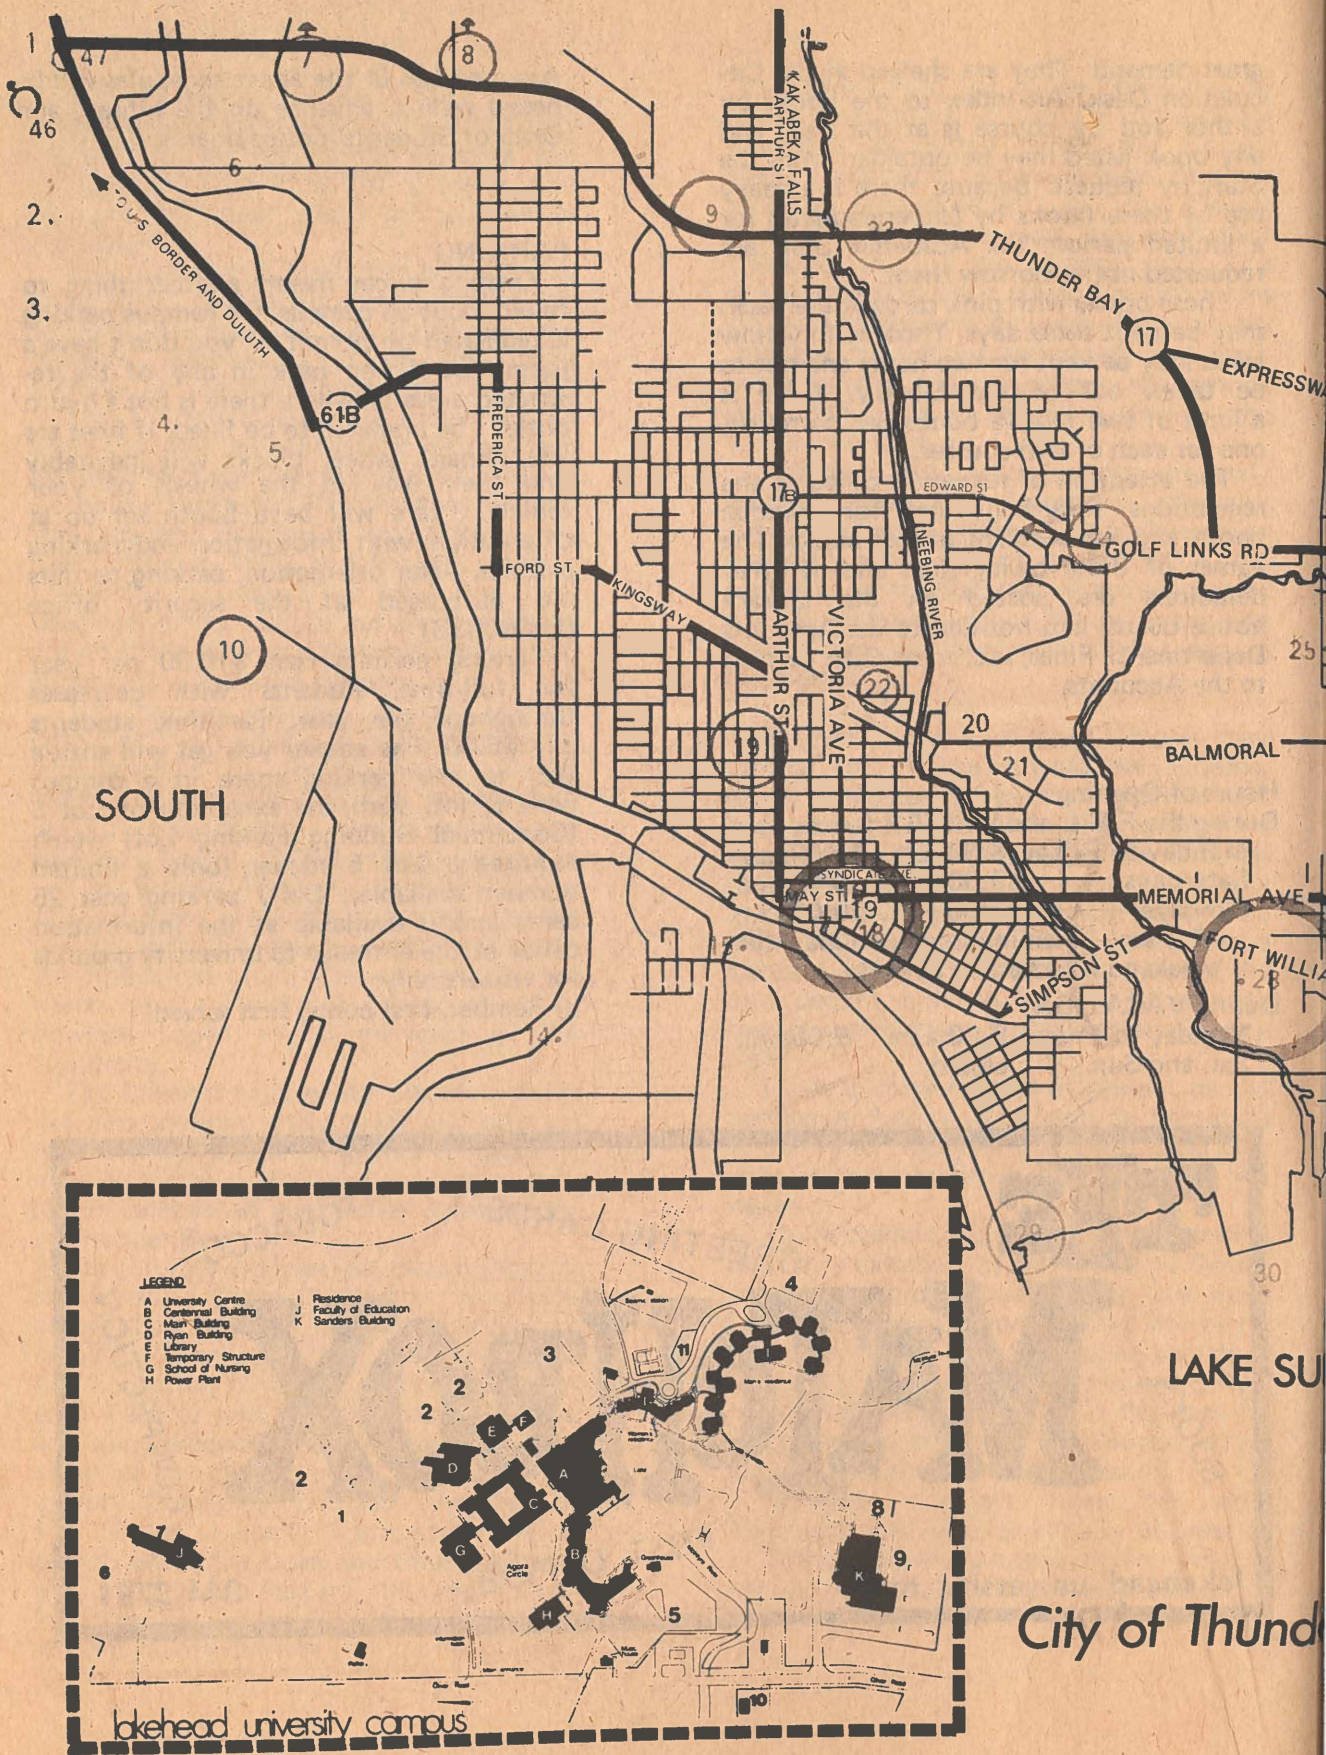

PARKING

Owning a car means another thing to think about on campus. On-campus parking is regulated by permit. If you don't have a permit or if you park in any of the restricted areas or where there is not a hydro outlet - be prepared to be fined. If fines are left unpaid, wheel blocks will inevitably find their way to the wheels of your vehicle. There will be a booth set up at Orientation with information and parking permits. After orientation, parking permits are purchased at the security office (UC-0003G).

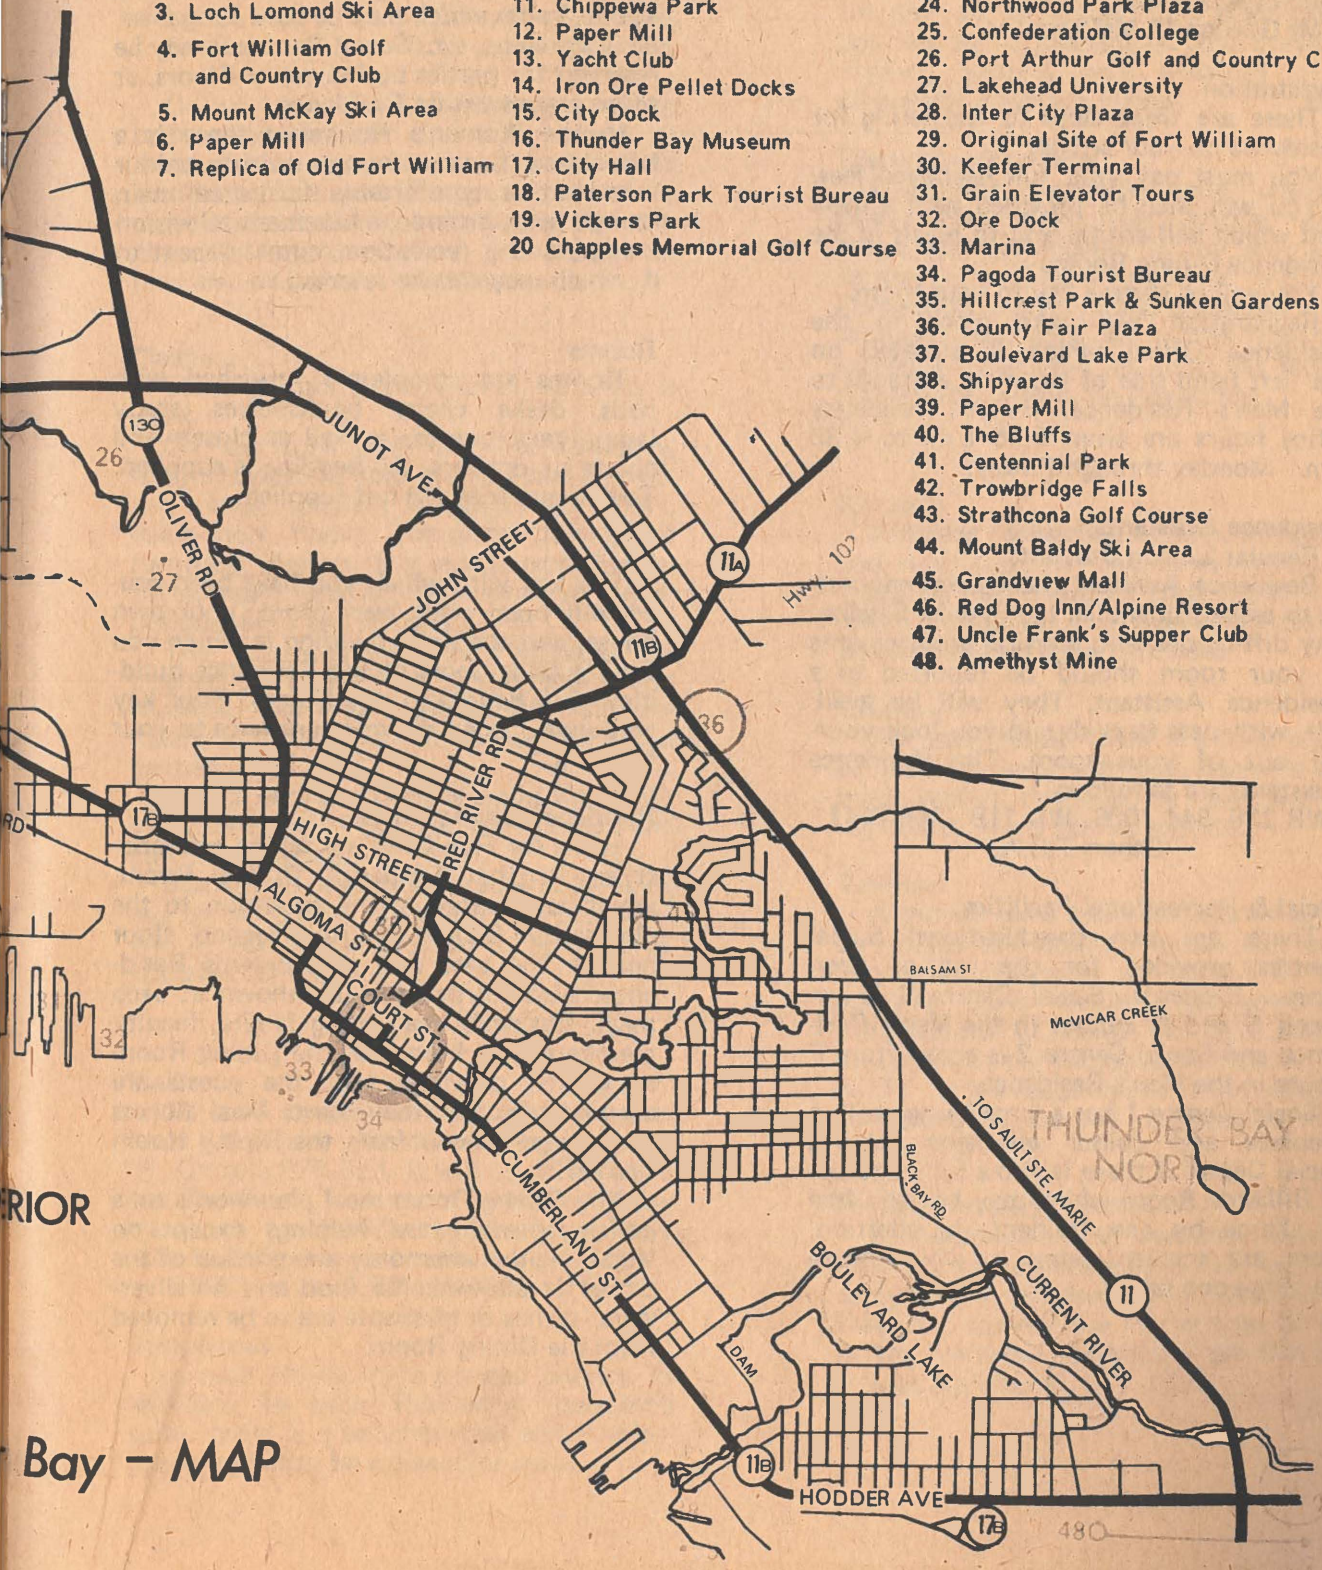

Parking permits cost $18.00 per year for full-time students with decreases throughout the year. Part-time students pay $6.00. The sticker you get will entitle you to any parking space in a campus parking lot, with the exception of Lot 5 (Centennial Building Parking Lot) which requires a Lot 5 sticker (only a limited number available). Daily parking cost 25 cents and is available at the information office at the entrance to university grounds for visitors only.

Rember, first come, first served!

LAKEHEAD UNIVERSITY RESIDENCE

Residence Director:
Mr Gordon D. McLeod

Registration

There are three steps to registering for Residence on your arrival.

1. You must pay your full residence fees.
2. You will then be provided with a meal card which will entitle you to meals in the Residence Dining Room.
3. You will be given a key to your room.

Registration will take place in the Residence Office which is situated on the left hand side of the main entrance to the Men's Residence. Regular residence office hours are from 8:45 a.m. to 4:30 p.m. - Monday through Friday.

Residence Assistants;

A. Regular Session Students

Residence Assistants have been appointed to assist students in the Regular Session. Any difficulties with physical arrangements in your room should be reported to a Residence Assistant. They will be available with pass keys should you lock yourself out of your room. The Residence Assistants are as follows:

WR 239 -344-7008 WR 119 - 344-7141
Others T.B.A.

Social & Recreational Facilities

There are two co-educational Social Centres provided for the use of Residence Students. Social Centre 1 is between C and D Houses in the Men's Residence and Social Centre 2 is across from F House in the Men's Residence.

Social Centre 1 has a large lounge with a fireplace and colour television set. In Social Centre 2 there is also a fully equipped Billiards Room which may be used free of charge by any resident. In addition, there are smaller rooms in which there are ping-pong tables.

Social Centre 2 has a large comfortable furnished lounge with fireplace and stereo. There is a large movie room which may also be used for meetings or dances and a smaller room which may be used for games, or discussions. etc. Social Centre 2 may be reserved for parties by Houses or Floors, or other groups within Residence.

In the Women's Residence there is a two-storey firplace lounge with a colour television, a comfortable furnished main lounge, with a stereo, a basement television lounge, and a recreation room adjacent to it, which may also be reserved.

Rooms

Rooms are completely furnished with beds, desks, chairs, bookshelves, study lamps, tack boards, as well as closets and chests of drawers. All bedding is supplied. Towels and soap are not supplied.

Keys

The key with which you have been issued will open your own room, your own house, and the main building in which you live. Outside doors of the Residence buildings will be locked at all times. Your key will always open the main entrance to your building.

Residence Dining Room

Meals for Residence are served cafeteria-style, in the Residence Dining Room, which is situated in the extension to the University Centre on the second floor nearest the east end of Women's Residence. Meal cards must be shown at each meal. Residents may bring family, faculty members, and friends to the Dining Room as guests, provided that the guests are accompanied by their host. Meal tickets may be purchased from the Dining Room Cashier.

The Dining Room meal plan works on a policy of unlimited helpings except on 'steak nights' when only one portion of the entree is allowed. No food and no silverware, dishes or glassware are to be removed from the Dining Room.

Meal Hours (Subject to change):
Monday to Friday

Breakfast. . . . . 7:30 a.m. - 9:00 a;m;
Lunch . . . . . 11:30 a.m. - 1:30 p.m.
Dinner. . . . . 5:30 p.m. - 7:00 p.m.

On weekends the Main Cafeteria will be open depending on the requirements of those students spending their weekends in Residence. Notices will be posted about the meal hours in the Main Cafeteria. The kitchen facilities throughout the Residences may also be used for weekend meals.

Cleaning

Students rooms are cleaned one day a week.

On the scheduled day the following should happen in your room; Linen change, bed made, vacuum or dust-mop floors, damp-mop floors, complete dusting of furniture, shelves, but not personal propperty, waste removal, clean ashtrays, wastebaskets, sinks and mirrors.

The following areas of Residence are cleaned on a daily basis; Washrooms and showers, corridors and stairs, laundry rooms and all common rooms and social centres.

On the weekend there is washroom sanitation, removal of garbage from lounges and corridor cleaning.

Student co-operation is required in being out of bed on the day your room is cleaned and in assisting in keeping lounges in respectable condition.

Mail

All mail should be addressed to Lakehead University Residence, Thunder Bay 'P', Ontario P7B 5E1. It will be delivered to the Residence Mail room at the main entrance to the Residence, where you may pick it up during mail room hours;

9:00 a.m. to 5:00 p.m. Mon. to Fri.

Telephones

In each House there are pay phones. In addition, in each Residence Assistant's suite, there is a telephone on which emergency calls may be received or made.

Parking

There is a parking lot provided directly opposite the main entrance to the residence for the use of students in Residence. A parking fee is charged by the university. Parking permits may obtained at the University Accounts Office.

Dispensing Machines

Dispensing machines for cigarettes, candy bars, pop, milk, coffee, potato chips, etc, are located in the two Social centres in the Men's Residence, and in the Recreation Room in the basement of the Women's Residence. All profits from these dispensing machines are used for facilities and services within the Residence.

Kitchens

Kitchens, consisting of sink, refrigerator and stove top, for making snacks are provided on each floor of each house in the Men's Residence. The Women's Residence has similarly equipped kitchens.

Laundry

For each House there is a fully equipped laundry room with coin-operated automatic washer, dryer, laundry tubs and ironing boards. Irons are not supplied.

Television

Although some television sets are provided Houses or Floors of Houses may rent, if they wish, television sets from T.V. rental agencies. Cable television connections are installed, free of charge. For cable connections apply at the Residence Office.

NOTE: It is a requirement of the university that students take out insurance on rented televisions.

Personal Property Insurance

It should be noted that the University does not carry insurance on personal proerty of any student. It is recommended that, if a student has any articles of value in the residence, he should see that such articles are insured.

Fire Alarms

Automatic heat detectors are situated throughout both Residences. In the case of an alarm, all rooms are to be vacated and doors left open. The Residence Assistant in each House will have all rooms checked and residents will be expected to stay in the main corrodor of the Men's Residence, or in the large common room of the Women's Residence until the all-clear (four rings of the fire alarm) has been sounded. In the case of actual fire or smoke, the residents should leave the buildings by the nearest fire exit and gather as follows:

MEN in the front of the Main Entrance.
WOMEN in the area of the circular drive in front of their Residence until an all-clear is sounded or other instructions given.

It is an offense under Section 378 of the Criminal Code to cause a false fire alarm. This offense can bring a penalty of five hundred dollars ($500.00) and/or six months imprisonment. The Thunder Bay Police will deal with ALL such offenses.

Health Unit

The Health Unit is located in the Women's Residence building for the use of all students of the university. Appointments may be made through the Health Unit with the university Doctor and for other medical service. There is a nurse on duty from 9:00 a.m. to 5:00 p.m.

MEDITATION

It's a busy world we live in,
We get caught up in the race,
And sometimes our sense of values,
Slips a little out of place,
It's a good thing to pull over
To the roadside now and then,
And get our thinking straightened out
Before we start again.

YOU YOUR BOOKS, AND THE L.U. BOOKSTORE

As you all know, in order to accomplish anything in university, you must read. Due to the size of LU's library and enrollment, this means that most of you will have to buy some books. At the Bookstore most of the books you need will be available on the day classes start. Due to customs, shipping, last minute changes in reading lists, or miscalculation of class size, some texts may be late. If you tell your prof, and weep a bit while you're at it, he/she/it will usually be lenient with regards to the material in these non-available texts. Got that?

If you beat the rush (get your books early) you may be able to pick up used books at a reduced price.

These are textbooks used in previous years on campus that the Bookstore bought back during their annual Buy-back period in April and May, as well as some that were purchases from the leading U.S. used-book wholesalers.

Store are from 9 AM to 5 PM, and sometimes until 7 PM. Check the sign on the door (halfway down the stairs to the Games Room). The best time to shop is early in the year, early in the morning. Make Sure You KNow The Course Number and Professor's Name. The only way you'll find out the titles you need is to look in the booklist (available only in the bookstore) and they're listed by course number and prof.

Every year, some students will buy texts only to find that they are not using them in the course. Don't bitch at the Bookstore staff. This is the Prof's fault becuase the store ordered books at his/her request and now doesn't intend to use them. These books should be recommended but not required. These books can be returned (if they're not used texts) if there is a course change or if you drop the course, but only if the book is not defaced in any way and only during the time specified. Check the door for the return period.

To be accepted for return, textbooks must be in new condition and totally unmarked. It is therefore advisable NOT to write your name in your books until you are sure you are staying in the course they were bought for.

If there's a special book you want (that means it's not a textbook), go to the Special Order Clerk's Office at the back of the store and tell her what you want. You must lay down some cash as a deposit, or they won't order the book. Deposits on paperbacks is $1. Hardcovers require a $2 deposit, unless it's something special ($25 up). . . .they need $5. Remember, if you're ordering a book published in the US markup is 15-20 / and delivery time is 4-5 weeks.

Besides books, the Bookstore sells stationary, pens, art equipment, drafting equipment, souvenirs, trinkets (LU rings, mugs, glasses. cufflinks, lighters), candles, greeting cards, classical and rock albums, and, of course, the Muskeg Review.

If you want something that you can't lay your hands on, just ask. Someone has to know where it is, we hope.

ACADEMIC HINTS

Possible Problem Areas

Program Approval

A student's programme must be approved by the chairman of the department/ school or programme and shall be drawn from the courses listed in the calendar for the programme in which he registers.

Plagiarism

The problem of plagiarism is becoming greater at this university than ever before. The Council of the Faculty of Arts has made the following policy statement in order to standardize the procedures in dealing with this problem:

'Plagiarism, defined as unacknowledged quotation, is an offence and not merely an error, although it is an offence sometimes committed out of ignorance. The unacknowledged quotation need not be precise to constitute an offence, but it must extend beyond an occasional sentence.'

Missed An Exam

You must notify the Registrar within forty-eight hours of the date upon which the examination was held, with a doctor's certificate, if you wish to resit the examination. If the examination was missed for other causes, the student may be excused by the Senate on compassionate grounds.

Course Changes (drop, add, or change)

Students who wish to change a course or section may do so only by completing a Change Form. Change Forms are available at the Office of the Registar - Records wicket. Changes made up to September 26, 1976 may be made without charge. After this date a charge of $10.00 will be assessed for each Change Form.

Changes in courses commencing in Jan. will be allowed until Jan. 31, 1977 without charge.

Students who do not drop courses in this manner, or withdraw may receive a mark of w.w.p. or a failing mark on their annual marks report.

Withdrawal

A student who wishes to withdraw from the University must obtain a withdrawal slip from the Office of the Registrar. He must then consult with the chairman of the department or school and the Dean of the Faculty and following this, return the withdrawal slip and his indentity card to the Office of the Registrar. Fees are not refunded unless this procedure is followed

A student who withdraws from a programme after February 15, is considered to have failed the year.

Phone 807 - 577-6426 or Telex 073-4360

A student who withdraws from a course after February 15 (after November 12 for a first term half course), is considered to have failed that course. A grade of w.w.p. (withdrew without permission) will be assigned to the course and will not be included in the average. A grade of w.w.p. constitutes a course attempt.

If the ability of the student to complete a programme or course is affected by illness or domestic problems, he may apply for withdrawal at any time without academic penalty. The petition must be made to the Registrar for consideration by the school concerned.

Reappraisal of Marks

After discussion of a disputed course mark with an Instructor, a formal request for reappraisal of a course mark may be made to the Registrar within 21 days of the release of grades. A fee of $15.00 must be enclosed with the application for each course mark to be reappraised.

Normally, requests will be considered for a maximum of two courses and will be forwarded to the Dean of the Faculty concerned, who can appoint a committee to advise him. The committee would consist of three faculty members (including the course instructor, if avialable) and a student observer at the request of the student concerned.

Have an Incomplete

You have just one month after the completion of the course to apply to the Registrar to clear an imcomplete from you record. The specified fee must be paid and the application form may be picked up at the Registrar's Office (Records Wicket).

Second Bachelor's Degree

A Lakehead University student, who may wish to qualify for a second Bachelor's degree in a Faculty other than that in which he has graduated, must do the equivalent of at least one additional full academic year's work and satisty all the requirements for the second degree.

Right to Appeal

A student having exhausted the normal channels has the right to appeal to the Senate in any academic matter.

Choice of Calendar

A student proceeding to a Bachelor's degree or a diploma may be governed by the academic regulations and programmes in the current calendar or the calendar of the year of entry. For further information contact the Office of the Registrar.

ATHLETICS

To the west of our campus is our C.J. Saunders Fieldhouse, commonly called the phys. ed. centre. It is interesting to note that it offers more than just a place to write those painfull exams.

It is in fact a most important part of Lakehead, and of anybody's university life, and it's open to everyone - undergrads, grads, faculty and staff. All one has to do is use it.

Undergrads present their student card for free use of all equipment in the fieldhouse. Undergraduates have already paid for these privileges, included in their tuition, so it might as well be used. Grads, faculty and staff pay their fees for a membership card. As well as the use of facilities you may purchase a towel tag which entitles you to a clean towel upon presentation of this tag. Equipment, such as badminton racquets, basketballs will be issued upon presentation of your L.U. ID card.

The fieldhouse includes a multi purpose gymnasium which can easily accommodate 2,000 spectators, an auxiliary gymnasium/ dance studio, combatives room, weight training area, sauna baths, change rooms and locker rooms for 1,000 persons, classrooms, laboratories, a 50 metre swimming pool, three squash courts, tennis courts, a fieldhockey and baseball field. These facilities are constantly being used by the local community and enjoyed by all in a wide variety of organized and recreational activities.

An outdoor skating rink is provided for the students behind the residence buildings. Curling and golf is just a five minute walk to the Thunder Bay County Club where students may golf and curl at reduced rates. We are fortunate that skiing is only a fifteen minute drive to anyone of our half a dozen ski hills.

All full time University students are encouraged to try out for various varsity athletic teams. More information may be obtained by visiting the athletic department or by phoning 213 or 544.

Towel service will be funished for $4.00 to students. Lockers may also be rented for $12.00 per school year.

Part-time Lakehead University students can buy a membership which allows the use of athletic facilities for $45.00 per school year.

Spring & Summer Student Fees

The use of the athletic facilities will be available to interim term and summer students. In 1976 there was for the first time an Intramural Program with the following events: Golf, Tennis Lobball, Squash and Bowling.

Intramurals

There's a great variety of intramural activities open to L.U. students. Competitive sports for men include soccer, touch football, broomball, hockey, and basketball (sometimes the opposite sex make their appearance on a team to show up the men) Women's sports include basketball, broomball and floor hockey. The co-educational program consists of volleyball, lobball, bowling and inner tube water polo. Among the recreational activities offered are: golf, tennis, badminton, table tennis, curling and squash.

Intramurals at L.U. serve as a complement to University life. Social contact, physical activity and organized competition combine to form Intramurals. The Intramural Program offers activities for men and women who desire activity at a

lower level than that of Varsity Athletics.

Rivalry among different faculties offers the student a competitive atmosphere.

The Intramural Program operates throughtout the year. Activities are scheduled at night and on Saturdays and Sundays. Entry forms for the activities may be picked up in the Intramural Office in the University Centre across from the Student Union Office.

Ski Days

Every Friday during the winter L.U. students visit the nearby ski hills at reduced rates. With half a dozen great ski areas around students never get bored of just one hill. A bus service leaves the Agora at 9:30 a.m. for the hills and arrives back at the University at 5:00 p.m. Reduced rates for this year will be posted on all Intramural Boards.

The Varsity Program

L.U. participates in and is a full member of the Great Plain Conference.

The program is a strenuous and demanding one as the competition is of a high calibre. The varisity teams compete against Regina, Brandon, Manitoba and Winnipeg Universities as well as American Colleges and other Canadian universities.

We have intercollegiate teams participating in the following: Men's Soccer, Basketball, Hockey, Swimming, and Track and Field, Women's Vollevball Fieldhockey, Basketball, Track and Field and Swimming.

The Varisty sports Program is subsidized by you the students!

All full time students are eligible to become members of the different varsity teams. Make sure you get your money's worth. Participate in or support our varsity teams. Remember our University thrives on it!

****

LIMERICKS

Our good deeds we love to repeat
To friends whom we happen to meet
For the path we have trod
We give virtue the nod,
When the credit belongs to cold feet.

Intramural Athletic Banquet

In March students get together to celebrate intramural and varsity athletes. Speeches are made, trophies are presented and everyone generally has a good time. The highlite of the night is the presentation of the male and female athlete of the year award and the total participation points award. The male and female athlete of the year award is given to the athlete who is outstanding in the university in athletics. The participation points trophy is given to the faculty or department who has the most participants in our twenty intramural sports.

Winter Carnival

For one week LU students celebrate the winter. LUSU in co-operation with Intramurals put on many activities:

LAKEHEAD RESOURCE CENTRE

What is It?

This is an entirely new service for the students at Lakehead. Now students may rent sports and recreational equipment out to enjoy our outdoors wilderness. No longer will the student loose out on activities because he or she does not have the equipment or the money to rent or buy such equipment. The rental fees are extremely low and the money collected goes towards up keep and buying new equipment.

Where is It?

All equipment may be rented at the LUSU Recreational Resource Centre Office Our office is located in the University Centre Building across from the Student Union Office. The office is open from 9 a.m. to 4 p.m. Monday through Friday.

The Equipment

All our equipment is top line merchandise. We ask you to take care of it and not ruin it for the other students at Lakehead. If you do break or lose the equipment you will have to pay for it so please be careful.

We have the following equipment for rental

Cross country skis, boots and poles
Snowshoes
Backpacks
Camping stoves, pots and pans
Winter and summer sleeping bags
Ensolite Pads
Tents
Canoes, paddles and life jackets
Squash racquets
Tennis Racquets

How Much

Their is a $5.00 deposit on all equipment rented out. This deposit is refunded when the equipment is returned. If you rent more than one piece of equipment you still pay only one deposit fee. To rent out equipment your student card or your registration form is also required, but is given back when you return the equipment.

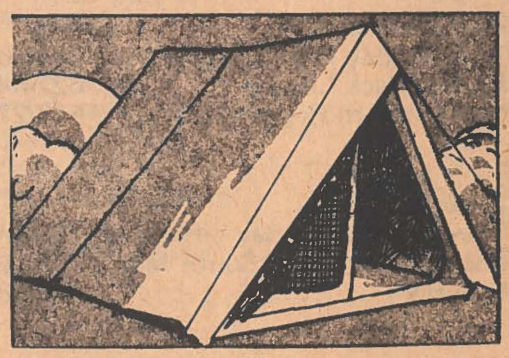

Equipment cannot be rented out for a period longer than 3 days. We place this restriction upon all equipment to give everyone a chance to use the equipment.

If the equipment is not returned or if the equipment is broken then the student pays for any damage.

Individual equipment may be rented for 50 cents a day with the exception of cross country skis which are $1.50 a day. All equipment must be returned by 10 a.m. the next day or you are charged for another days rent.

Whose is It?

The concept of a recreational resource centre stemmed from the interest and subsequent prodding from the Outdoor Club. Your student council, LUSU, with the co-operation of LU Administration, Phsicals Services and Intramural Department teamed up to make this concept a reality. LUSU, through the use of your student fees, purchased all equipment required. The Adminstration and Physical Services provided a centre for the equipment to be stored and loaned from. The Intramural Department, under director Ron McKechney and his assistant Kerry Brown selected equipment to be purchased, developed the mechanisms for loaning equipment and are in charge of loaning equipment. As a consequence the students of Lakehead University own recreational equipment every LU student may loan.
