

GRADUATES

1907-1955

St. Joseph's General Hospital

PORT ARTHUR, ONTARIO

Dear Graduates:

We hope you will find our latest Directory of names and addresses of some interest and value to you. Despite the fact that many hours have been spent in compiling this book, we realize that it may not be entirely accurate. Some of our graduates seem to have nomadic tendencies, which makes it almost impossible to "catch up with them". If you should know of any names and addresses which have not been listed correctly, we would appreciate hearing from you. The revised list will be printed from time to time in the monthly bulletin. Our thanks to all who have helped us so willingly in the preparation of this book.

Edith Oby Chase
Isabelle Morrison McLean.
