

The background of the entire page is a dense, intricate line drawing in a golden-brown color. It depicts a wide variety of athletic activities. At the top left, there's a horse-drawn carriage. Below it, various track and field events like running, jumping, and throwing are shown. In the center, there are scenes of basketball, volleyball, and soccer. To the right, there's a large crowd of people. At the bottom, there are more sports like tennis, badminton, and swimming. The overall style is reminiscent of mid-20th-century graphic design.

FOR the Lakehead University Field Hockey Team, this year could have been termed "ROOKIE SEASON" as L.U. had 11 first year players plus an unexperienced coach in Nancy Goodwin, a former L.U. varsity player.

THE first month of practice was almost totally devoted to the teaching of fundamental skills and due to this it was decided we would play the simplified 5-3-2-1 system. The players worked extremely hard under the leadership and encouragement of veterans Donna Ready and Loretta Kwasniewski in preparation for the first G.P.A.C. tournament in Regina the first weekend in October.

THE results were as follows:

Lakehead	vs	Brandon	3 - 1 (Lakehead)
Lakehead	vs	Regina	4 - 3 (Regina)
Lakehead	vs	Manitoba	8 - 0 (Manitoba)

THE team then had a 3 week layoff before the next tournament in Winnipeg. The players now had a basic knowledge of the fundamental skills and were now starting to perfect them.

IN Winnipeg, there could be seen a great improvement in the confidence and style of play exhibited. The team was hurting - muscle pulls, colds and sore throats took their toll plus a broken nose suffered by Loretta Kwasniewski against Brandon.

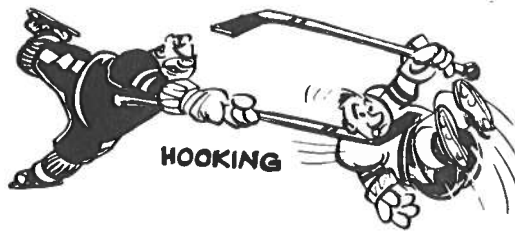

THE results were as follows:

Lakehead	vs	Brandon	1 - 0 (Brandon)
Lakehead	vs	Regina	1 - 1
Lakehead	vs	Manitoba	2 - 0 (Manitoba)

VARSITY FIELD HOCKEY (con't)

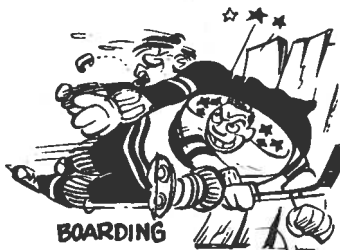

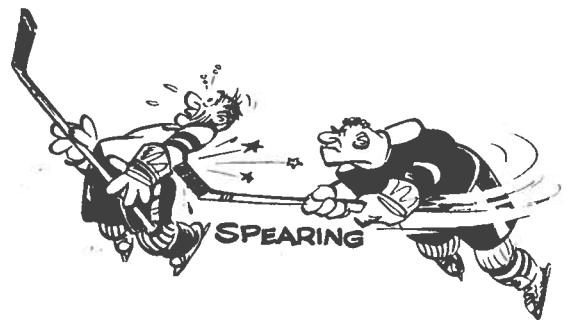

ALL in all, it was a very rewarding season for all involved. The major drawback being the lack of exhibition play, due to budget restrictions, which could have given us the much needed game experience.

Friyia an All-star

MONCTON, N.B. CP —Vince Friyia of Lakehead University Nor'Westers was named to the all-Canadian college hockey team here Friday.

The other forwards named to the team were Gary Brown of the University of Quebec-Trois Rivieres Patriotes, Mac Davis of St. Mary's Huskies; Doug Murray of the University of Calgary Dinosaurs and Greg Wiebe of the University of Saskatchewan.

Doug Caines of the University of Toronto was named winner of the Senator Joseph A. Sullivan Trophy as the outstan-

ding player in Canadian college hockey.

"I had no idea," said Caines, a 21-year-old sophomore physical education major at the University of Toronto. "Tom (Toronto coach Tom Watt) told me before we came down here that I was one of the all-Canadians. He didn't tell me about this."

Caines, a native of Toronto, scored 42 goals and 33 assists in 37 games as he helped the Blues win the Ontario Universities Athletic Association hockey title.

Caines joined the Blues after playing with St. Catharines

Black Hawks of the Ontario Major Junior League. He was drafted by New York Rangers of the National Hockey League, but the Rangers had a number of centres at the time and Caines eventually went to Toronto.

Caines said he plans to finish university and then perhaps again try to make the pros. Also in the back of his mind is a chance to play for Canada's Olympic team in 1980—if Canada decides to send a team to the Winter Games at Lake Placid, N.Y.

Steve Davies of St. Mary's

and Al Macsorley of Wilfrid Laurier University were the goaltenders picked by a committee of five coaches—one from each of the regional associations.

Ken Knowles of Bishop's Galters, Rocci Pagnello of Toronto, Mike Wirachowsky of the University of Regina and Mike Zettel of the University of Waterloo were the defencemen selected.

Normand Meunier, who coached UQTR Patriotes to second place in the Quebec association, was named coach-of-the-year.

REFLECTION

NO citizen has any right to be an amateur in the matter of physical training: it is part of his profession as a citizen to keep himself in good condition, ready to serve his state at a moments notice. The instinct of self-preservation demands it likewise: for how helpless is the state of ill-trained youth in war or danger . . . Finally, what a disgrace it is for a man to grow old without ever seeing the beauty and strength of which his body is capable. . .
