ATHLETIC DIRECTOR

Dear Athletes:

Varsity and intramural athletics at Lakehead University are a very integral part of the total education program. I firmly believe that we are here to service the students in a variety of capacities - high calibre athletics, recreational and intramural pursuits, spectator enjoyment, experiences as scorers, timers, convenors, organizers and administrators of various activities. The list is endless.

The athletic program depends as much on your involvement and enthusiasm as a student. We only hope you help make it a better experience next year and will continue to promote and support the fine programs in future after graduation.

The past year has shown again that our athletic teams are on the same level as most universities in the country. Our goal is to remain in the upper level of intercollegiate athletics thus providing an avenue for the serious athletes and a spectacle for the general student body.

This banquet is just another indication of the support students give athletes and the important role it plays in student life at Lakehead University.

Yours in Athletics

VARSDTY FIELD HOCKEY

The Lakehead Varsity Field Hockey Team got off to a late start this year and only had 2 weeks to prepare for its first G.P.A.C. Tournament. The majority of the team was made up of first year players including Nancy Farrell and Martha Hunt who both did an outstanding job on defense. Many of the players had never played field hockey before so a lot of time had to be spent on basic skills.

At the first tournament at the University of Manitoba, Cheryl Kryluk, a strong forward, was forced to play goal and did an excellent job. The team started off the season with a victory over a strong Regina team. The last game of the tournament against Brandon was a tough one to lose especially since the team almost tied it with a minute left in the game.

The second G.P.A.C. tournament was held at Brandon University. A few changes were made; Terry Brown was recruited for goal, Cheryl Kryluk went back to forward and the team went to the more advanced system of 4-3-3-1. This weekend the team played their best game of the season against the tough Manitoba Team despite the loss of Nancy Farrell to an injury earlier in the tournament.

The field hockey season was enjoyed by all who participated. The inexperienced players as well as the coach all benefitted. Looking to next year, the return of many of the team's rookies will no doubt help with the experience and play of next years varsity field hockey team.

INTRAMURAL DIRECTOR

Dear Intramural Athletes:

The 1978-79 Intramural Sports year culminates with tonight's Awards Nite. We are collectively in attendance here to honor all participants of the twenty-six activities and sports this year. Approximately twelve-hundred different L.U. students took part in the Intramural Sports program.

The Student Committee on Athletics are pleased that this program fulfilled the physical needs of a sound educational system. As director, I have been able to personally witness the physical, mental and social growth of the Intramural Department staff, a group of supervisors, referees and support staff who make the program possible.

As we close out our activities for this year, we look forward to a "new" year in 1979-80 in serving the athletic and recreational needs of the students of Lakehead University.
