

Lakehead University's 'Thunderdome' will be rocking again this weekend as the men's and women's LU Nor'Westers basketball teams co-host their annual Pizza Hut Invitational tournament.

The tourney opens Friday and concludes Saturday with participants including four teams from the United States. Those are Hibbing, Mt. Senario, Gogebic and St. Scholastic. Of course, the host Nor'Westerns are also in the mix.

The women's tournament begins at 3 p.m. Friday with Gogebic Samsons taking on St. Scholastic (Duluth) Saints. At 5 p.m., the men's tournament gets underway with Mt. Senario going against the Lady Nor'Westers.

The Lady Nor'Westers played their first game at 7 p.m. against Mt. Senario, while the LU men's team played at 9 p.m. to take on St. Scholastic.

Lakehead University slowly then pulled away for a victory over Gogebic Samsons in men's division of the Pizza Hut Nor'Westers basketball tourney at the house Friday.

The win, in the single knockout mat, put Lakehead in the championship match at 8:30 p.m. today against Mount Scenario Fighting Saints. The Saints whipped understaffed Hibbing Community College 118-52 earlier Friday.

"We looked a little anxious at the start," commented LU men's coach Lou Pero. "But that final seven-minute burst was what we needed."

Four winners for LU team

Lakehead University varsity wrestling team's Craig Hardy, Simon Lampi, Steve Roslinsky and Brock Lambert all won their matches Friday at a dual meet at the University of Saskatchewan.

In all, LU won four of nine matches from the University of Saskatchewan, a team made up of university wrestlers and the Saskatchewan Wrestling Club.

MESSAGE FROM THE BOOSTER CLUB PRESIDENT

Welcome to the Lakehead University Athletic Awards Banquet. This is the first time this event has been sponsored by the Booster Club.

The Booster Club is in its second year of existence and we have had another successful year. Thanks to a very active student group, fans are jamming the Thunderdome and having a great time. The teams are all putting on an excellent show and all four teams made the play-offs. Thanks to the players, coaches, trainers and medical support staff for all their efforts. The Booster Club is extremely proud of all of you. A big thanks to Bill Keeler and Norm Lavoie for all their support.

The Booster Club has funded one scholarship and, because of increased support and money-raising efforts, should be in a position to fund a second one shortly. One of our big events will be held this May. Watch for an official announcement soon.

Our athletic year started on a real downer with the sudden and tragic death of John Zanatta. John's memory is being honoured by the Alumni games being dedicated to him and by having his sweater placed under glass in the "Wall of Fame" at the Fieldhouse.

Congratulations and best wishes to all the athletes who are graduating and who have played their last game or match for the old Blue and White.

OUAA ALL-STARS

★ When The Stars Come Out.... ★

★ LESLIE RAGGUETTE

6'2" guard, Montreal, Quebec

Leslie was selected to the OUAA West Second All-Star Team. In Conference, he was the Nor'Westers leading scorer and finished 4th in OUAA West scoring with an average of 18.4 points per game. Leslie led the team in assists and was second in team rebounding. Leslie also received all-tournament awards in the New York Life Tournament in Winnipeg and the Pizza Hut Tournament at Lakehead University.

and as our second best hitter.

JEFF BYERLEY

6'1" guard, Thunder Bay, Ontario

Jeff was selected to the OUAA All-Star Team for the second straight year. In addition, Jeff was the Most Valuable Player in the New York Life Tournament in Winnipeg and was all-tournament selection in the National Invitational in Toronto and Bethal Invitational in Minneapolis. Jeff averaged 17 points per game during the season and finished fifth in Lakehead's all-time scoring.

★ CRAIG HARDY

61 kg, 1st Year Physical Education

Craig had an outstanding Freshman season, winning over 20 matches and placing second at the OUAA's and fifth at the CIAU Finals. Congratulations, Craig!

★ MIKE KIRLEW

HWT, 3rd Year Physical Education

This is Mike's third straight year as an OUAA All-Star, placing second at the OUAA's and fourth at the CIAU's.

★ KELLY BREUTIGAM

West Division and OWIAA All-Star
During the 1990-91 season, Kelly led the OWIAA in kills, kills averages/sets, aces and aces/sets average. In this last category, she more than doubled everyone else's performance. She led again, in each of these, at the OWIAA Championship.

In only her second year of eligibility, she is the all-time career leader in kills and aces at Lakehead and is closing on the top mark for digs and blocks. One rookie best summarized Kelly's performances and style of play when she first saw her practise: "WOW!"

★ KATHY HARRISON

Kathy Harrison was selected to the Ontario All-Star Team with an outstanding season. She was an All-Star in every tournament she played in, and finished the year with a 15 point average. She was player of the month for both October and February.

★ JO-ANNE HOOD

West Division Rookie of the Year

After years of club volleyball and 4 summers with the Provincial Team, Jo-Anne imposed herself from the start in varsity competition. An All-Star in her first two tournaments, she went on to anchor our team's offense, as a setter

Scoreboard

The 1990-91 varsity competitive season has come to a conclusion and, upon reflection the season was a rewarding one for the student-athletes, coaches, and supporters of the Nor'Wester program. The season began with the first issue of our Nor'Wester newsletter, the **Thunderstorm!** The Thunderstorm is, in itself, a reflection of the development of the Nor'Wester varsity program over the last three years. Since joining the Ontario University Leagues (OUAA and OWIAA) our athletes and coaches have done a terrific job of providing highly competitive and exciting athletic entertainment. Three team sports (men's and women's basketball, and women's volleyball) all advanced to the playoffs and the wrestling team qualified three athletes for the national CIAU final. In turn, the tremendous fan support and appreciation from the Lakehead student body and the city of Thunder Bay has been terrific, making every event in the "Thunderdome" a happening.

A very special thank you is extended to our student booster group, headed up by Greg Beckford and Vlado Horvat and to the Lakehead University Booster Club with Larry Hebert providing the leadership. Their efforts and the many efforts of all the members of the athletic unit have helped to improve athletics on campus.

Although the competitive season has ended, the planning and training for next year is already underway. We are confident that we will continue to be the best in the west and at this time would like to thank you for your support and at the same time extend an invitation to you to continue to be a part of the happening at the Thunderdome.

PLAYERS OF THE MONTH

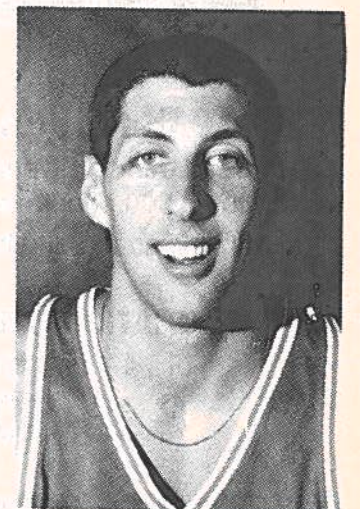

Craig Hardy
Craig won 4 matches and placed second at the OUAA Championships, and then defeated the Atlantic Champion to place fifth at the CIAU Championships. Congratulations, Craig Hardy!

Kelly Williams
Many pointed out that in our last matches, Kelly often went unnoticed, yet the team played well. This is one of the strongest compliments a setter can get. The ultimate challenge is to blend into the flow of the team while you help your teammates perform. During the past season, she also constantly improved, refining her skills-making her a more complete player.

Kathy Harrison
In our Saturday game against Western, Kathy did an excellent job offensively. During our playoff game against Toronto, Kathy had an excellent first half-scoring 18 points. Selected to the Ontario All-Star Team, Kathy had an outstanding season, finishing the year with a 15 point average.

Mike Lalonde
Mike, a 6'7" post player from Dryden High School, was one of the key players in the playoff clinching series sweep over the Wilfred Laurier Golden Hawks. Mike scored 14 points in a "heart-stopping" 83 to 76 overtime victory over the Golden Hawks. On Saturday, Lalonde played on of his best games as a Nor'Wester, scoring 19 points and grabbing 14 rebounds.

Women's Volleyball

february...

This last month of the season mirrored our image for the year: a lot of hard work from the athletes, good results in league play, but we couldn't buy a break.

The first weekend sent us to Brock to challenge the West Division leaders. After a disappointing Friday match, Saturday provided 90 minutes of exciting volleyball, but to no avail. We still lost 0-3 and Brock remained undefeated throughout the season. This also meant that we needed a win in our last weekend to secure a top four finish. Western came to town and Friday's match gave the fans thrills and chills. After winning the two first sets easily, L.U. lost the third and gave Western an 11-2 lead. That was before the Thunderstorm came to life. With the fans getting louder and louder, the Lady Nor'Westers played harder and harder, catching up at 12-12 and winning 15-13. The Saturday match was all Lakehead. After a close first set, L.U. took control and won 3-0.

The OWIAA Championship was our next event. It proved to be an exercise in frustration. After losing 0-3 to top-seeded and eventual winner York, The consolation round placed us against McMaster.

Never before had we lost a set 16-17. We did it twice in the same match, putting us down 0-2. The third set was all L.U., 15-6. In the third, we came back from 4-11 to 12-13, only to lose 12-15. And that was only the beginning. *Thirty minutes later*, we were back at it, against Laurier. Another incredible effort went unrewarded, when we lost 2-3 after more than 2 hours of play. All in all, we spent 5 hours on the court in a span of 5 hours and 30 minutes, only to come up short twice. But after such battles, there are no losers. The players had every reason to keep their heads up after such a "gutsy" performance.

1990-91 season...

All year we were told how young our team was. Often we were reminded of our injured teammates. Never did we let one or the other serve as an excuse. Every player pushed herself a little harder to bring our OWIAA season record to 9-5, only one win short of last year's performance.

This has been a most satisfying season for players and staff alike. It has been a season of development for the team, while we still managed to win matches. This year's work will surely pay off, and things look most promising for years to come.

It's you that counts the most.

"...best finish since joining OUAA"

Wrestling Season Wrap-Up

The L.U. Varsity Wrestling Team had a good year, placing fourth at this year's OUAA Championships. This marks their best finish since joining the OUAA League back in 1988.

Along with this strong team finish, the team had some excellent individual performances as well. Craig Hardy and Mike Kirlew placed second in their weight classes at the OUAA's and Simon Lampl finished third. At the CIAU Championships, the Nor'Westers failed to bring home the medals, with Mike Kirlew coming in fourth, Craig Hardy fifth, and Simon Lampl taking sixth.

the future...

With six freshmen, two third year team members and a fourth year, along with the addition of a couple of young recruits, the future looks promising for next season.

We are looking forward to seeing the L.U. varsity team crack the OUAA top 3 and win some gold at the CIAUs in the years to come.

Men's Basketball

february...

The season ended for the Lakehead University Nor'Westers in Hamilton, with a 77-69 loss to the 8th ranked McMaster Marauders in a quarter-final OUAA West playoff game. The Nor'Westers received a stellar performance from Leslie Ragguette with 19 points and 11 rebounds in a losing cause.

Earlier in the month the Nor'Westers secured a playoff spot with a weekend series sweep against the Wilfred Laurier Golden Hawks in Lakehead's last home series. They were led by Leslie Ragguette with a 48 point weekend. Leslie received an honourable mention as CIAU Athlete of the Week. The Nor'Westers also received strong efforts in the series from Mike Lalonde, Jeff Byerley and Ray Foster.

In addition, the Nor'Westers split a home series with the Brock Badgers in spite of the fact that they were under-staffed due to injury and illness. Although Lakehead lost two away series in the month to the number one-ranked Western Mustangs and number two-ranked Guelph Gyphons, they showed signs of being competitive with the top teams in the country.

season in review...

The Lakehead University Men's Basketball team finished the 1990-91 basketball season tied for fourth sport with Brock and Waterloo, in the tough OUAA West Conference with a 6 and 8 won-loss record. The Nor'Westers overall record for the season was 14 and 16, which included a tournament win in the New York Life Tournament in Winnipeg. The "Thunderdome" continued to rock as the Nor'Westers entertained the local fans with an exciting brand of basketball. With the present excitement in the community and 12 of 13 players returning for the 1991-92 season, the future augurs well for the Nor'Westers.

the future...

Although coach Lou Pero was disappointed that the Nor'Westers did not finish in fourth sport alone and provide local fans with a home game in the playoffs, he was satisfied with his team's development in the 1990-91 season. If the Nor'Westers secure a few key recruits, Pero feels that this, in addition to the team's renewed confidence and quality of play will make the 1991-92 season will be their most productive in 10 years.

Brainstorming... This month we asked for your 1990-91 male and female athlete of the year picks! by Chris Williams (technical assistance by Steve Balogh and Liana DeCorso)

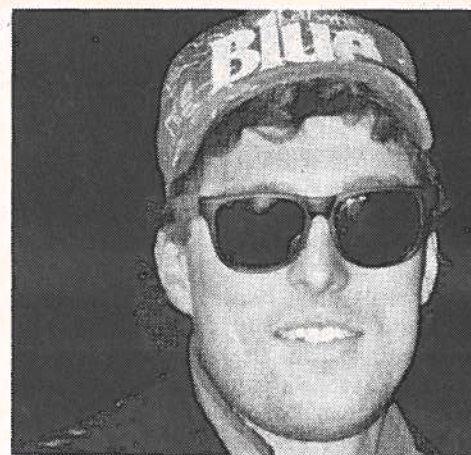

Stacy Roy
(Agora coffee pusher)
"I don't know. I guess it would help if I actually went to this school."

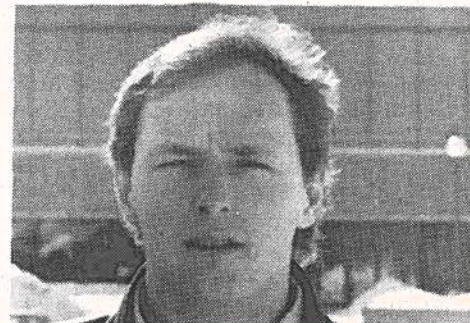

John McDonald (Outspoken member of the L.U. Secret Service)
"Is there a guy named Bar, Barl, Barley, Byerley, Byerley out there somewhere?"

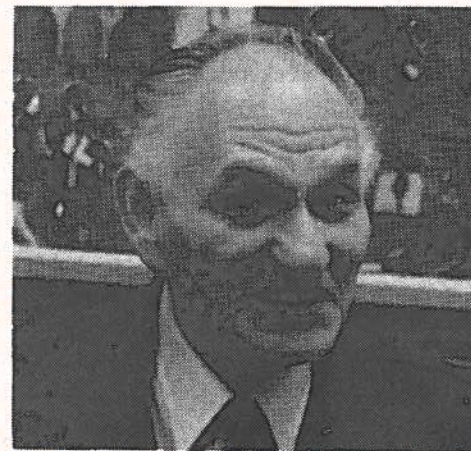

Sharon Docherty (Closet Nor'Wester fan and Argus groupie)
"I like Jeff Byerley for the men because he's a really good team player and Kelly Breutigam for the women because she's got a really wicked spike."

Jeff Byerley (Undercover L.U. basketball notable)
"For the women I'd have to say Kelly Breutigam, mostly because she's gained national recognition for her play in the OWIAA. For the men, Craig Hardy, because I just keep on hearing his name around campus and in clips on the news and it sounds like he has placed in every tournament he participated in."

John Laplante (Ex-Nor'Wester Athlete of the Year)
"My pick for female athlete of the year is Kathy Harrison and male athlete of the year is Leslie Ragguette. This year, Leslie has had a tremendous season; he leads the OUAA West in scoring and defensively he's probably one of the top players in Canada. Kathy Harrison had an amazing year, I think she also lead in scoring for the OWIAA West."

Troy Cordingly (Sport watcher)
"My picks would be Jeff Byerley and Kathy Harrison. Jeff is obviously the key player for the basketball team and Kathy Harrison is a good ball player both offensively and defensively."

"For a team with five first year players, I felt we had done a good job."

Women's Basketball

The month of February had its ups and down for the Lady Nor'Westers. The first weekend of February saw us playing in front of the home crowd, hosting the University of Brock.

Friday, we had a slow start and struggled to a 66-58 victory. Saturday was a carbon copy with us coming on top 58-51. Although we won both, I was not pleased with the games. Our shooting was poor and we lacked intensity. Unfortunately we carried this into Western, losing Friday 80-64 and Saturday 82-70. Both nights we closed the gap to six points, only to have Western hit back to back 3 pointers. Barb Hill and Kelly Fitzgerald did a good job on the boards, and Kathy Harrison did an excellent job offensively.

The third weekend, we travelled back home to host Wilfred Laurier. We came out flying Friday night, winning 78-53 and Saturday 75-59. Defense was the key, combined with full court pressure-we finally put two games back to back together. The highlight of both games was that everyone played and contributed. Scoring was distributed between Harrison, Burgess and Fitzgerald, with Pam Leitch hitting some big shots.

Going into the last weekend, we found ourselves travelling to Guelph. Interesting enough, all we needed was to win one game to guarantee us third place. Finishing in third place would put us against the University of Toronto on Tuesday in quarter final action. If we defeated Toronto, we would then travel to the final four in Brock.

As usual, we do everything the hard way and the first night we lost to Guelph 65-61. This made Saturday a very stressful day and shooting practise was very intense. Saturday, we came out very aggressive and jumped to a 22-4 lead going on to win 68-50, and clinching third place.

The regular season was over, and we finished in third with a 9-5 record. Overall I was pleased. We had lost two games to Mac by one and four, and the two games to Western by ten and twelve-not too bad. For a team with five first year players, I felt we

had done a good job.

We travelled back to Thunder Bay on Sunday, only to return to Toronto on Tuesday for a playoff game. Monday we had two key players missing from practise-Pam Leitch and Barb Hill. Both had a very severe type of flu, with Pam going to the hospital Monday morning.

Tuesday at 5:00 p.m. I was not sure if Pam and Barb would be travelling until we picked them up. However, both of them really struggled in the game and it was evident in their shooting. Kathy Harrison had an excellent first half, scoring 18 points and we were only down 3 at the half. At the start of the second half, Toronto could not miss and we found ourselves down by 12. Forced to call a time out, we managed to pull in back to six points with 2:36 left on the clock.

A couple of violations, and a missed shot, turned the ball once again back over to Toronto, who converted at the other end. Final score was 77-63, and once again we are knocked out of the playoffs by Toronto.

KEY HOOPS

-The improved play of Bonnie McAlpine was a positive note for the future.

- The play of all freshmen was inconsistent but also very encouraging and should be something to look forward to.

I would personally like to thank all the fans for their fantastic support during the season. As coach, we tend to forget the people behind the scenes who make our jobs easier - Bill Keeler, Peter Dika and our student booster group. I would also sincerely thank Coach Pero and Norm Lavole who gave me a great deal of support after the death of John Zanatta. When we lose someone we love, we tend to forget the people we have. Thank you Norm and Lou, without you I couldn't have made it through. To my wife Lynn and the boys, thank you again for being there always.

- Stu Julius
