MESSAGES OF WELCOME TO THE 1973-74 TROPHY DANCE

JOHN GARLAND CHAIRMAN, STUDENT COMMITTEE ON ATHLETICS

On behalf of the Student Committee on Athletics I would like to welcome you to the 9th Annual Trophy Dance.

The varsity programme had another very successful year, with teams and individual athletes capturing GPAC and Canadian Intercollegiate championships. Congratulations go out to all the athletes and the hard working coaching staff here at Lakehead University.

Again, this year, the Intramural programme offered a full compliment of activities for the students. Some problems did arise, primarily the breakdown of communication between the Intramural Department and the students. However, these problems can only serve to make the people responsible aware of the time and effort needed to administer a successful programme, and hopefully next year Intramurals will be bigger and better than ever. Students of L.U., don't hesitate to participate - Intramurals are for your enjoyment.

I wish to thank the Executive and Faculty Representatives of the S.C.A. for their assistance and cooperation during this past school year. I would also invite those students who really care about the future of athletics at Lakehead University, to become involved with the S.C.A. and make the student voice a strong one.

May I conclude by wishing everyone continued success in all athletic endeavours.

DR. J. H. WIDDOP CHAIRMAN, SCHOOL OF PHYSICAL EDUCATION & ATHLETICS

Once again Lakehead University athletes have kept the University well in the limelight and despite the fact that fewer championships were won, the past season can only be considered highly successful.

We are particularly proud of the coaches and athletes from Lakehead University who represented Canada at the Commonwealth Games in New Zealand and performed so admirably. Congratulations to Mr. Garvie, Mr. Talbot, Mr. Lennox, Mitch, Terry and Grant, and also to Ken Gaskell who represented Canada in an international swimming meet in France.

Apart from the more established teams living up to their normally high standards, other areas such as Track & Field and Swimming served notice that they are going to take a lot of beating in the not too distant future.

Special mention must be made of the efforts of the wrestling team who ranked No. 1 in the country; the Girls' Field Hockey Team who crushed all GPAC opposition; and the Girls' Basketball Team who didn't quite make it but "failed" gloriously in the attempt to bring home another title. Congratulations also to the Judo and Men's Curling teams who won GPAC titles.

Apart from our efforts competitively this past year, we have also shown that we are capable of hosting virtually any type of tournament with great success. Perhaps we can now persuade the City to have the courage to bid for a top class National or International event?

I am extremely appreciative of the efforts and dedication of all the coaches and athletes at Lakehead University and am proud to be associated with them.

GEORGE J. BIRGER DIRECTOR OF INTERCOLLEGIATE ATHLETICS

As we bid farewell to another athletic year at Lakehead University we pause to recall fondly the many fine accomplishments of our intercollegiate athletic teams. We remember and are truly grateful for the contributions each of you has made to the success of the Intercollegiate athletic program. Your unselfish efforts have made 1973-74 our most productive year ever.

To those of you who will graduate at the end of this school year we extend our best wishes. We hope that whatever field you have chosen that you will continue to lend some time towards further development of sport in Canada.

THIS WAS THE SECOND YEAR THAT LAKEHEAD UNIVERSITY HAD A GIRL'S J.V. BASKETBALL TEAM. THEIR RECORD THIS YEAR WAS A RESPECTABLE 10 WINS WITH 2 LOSSES. BOTH THE GAMES LOST WENT INTO OVERTIME. THE TEAM ALSO WON THE HIGH SCHOOL INVITATIONAL TOURNAMENT HELD HERE AT THE UNIVERSITY LAST OCTOBER. HIGH SCORER FOR THE TEAM WAS SUSAN FORBES AND THE MOST OUTSTANDING GUARD WAS PEGGY STEWARD. CONSIDERING THAT THIS WAS THE FIRST YEAR THAT ANY OF THESE GIRLS PLAYED TOGETHER AS A TEAM WHILE THEIR OPPONENTS HAD PLAYED TOGETHER FOR 4-5 YEARS, THE JUNIOR VARSITY TEAM REPRESENTED THE UNIVERSITY VERY WELL AND ARE LOOKING FORWARD TO EVEN A BETTER SEASON NEXT YEAR.

1973 VARSITY SWIMMING

G.P.A.C. RESULTS:

1650 Freestyle	KEN GASKELL	2ND
500 Freestyle	KEN GASKELL	2ND
400 I.M.	KEN GASKELL	1ST

Lakehead University experienced its first GPAC competition this year. We were unable to field a team at the championships which were held at the University of Manitoba but we did take part. Three swimmers appeared for us and we can claim moderate success. KEN GASKELL (Bus. Admin. I) swam second in the 1650 Freestyle event, second in the 500 Freestyle and managed a win in the 400 I.M. (Individual Medley). His times were good enough to qualify him for the CIAU championships which were held at Laurentian University. Ken was pretty tired at the GPAC Finals having only that same day arrived back from France where he had competed in their national championships representing Canada. The two remaining swimmers to compete in GPAC were BOB THOMPSON (Pol. Science) and CAROLYN BARCLAY (BPHE II). Even though both had only scant previous experience, they managed to swim personal best times in their events. Their times, however, were not good enough to qualify them for CIAU finals.

C.I.A.U. RESULTS:

1650 Freestyle	KEN GASKELL	1ST	* RECORD TIME
400 I.M.	KEN GASKELL	2ND	* RECORD TIME
500 Freestyle	KEN GASKELL	1ST	

Ken Gaskell, now well rested, won the 1650 Freestyle in record time. The next night, in the 400 I.M. he broke the record also but was beaten into second place by one of Canada's Olympic representatives. On the final night he managed to capture the 500 Freestyle with a grandstand finish--he was behind 3 seconds with 50 yards to go!

Twenty-five universities competed at the CIAU in the men's division and as a result of Ken's 2 Gold and one Silver, we managed to finish TENTH overall. It was a pleasing result for a first time try.

In 1975 our University will be hosting the C.I.A.U. Championships and it would really be something if we could have a full team representing us.

To date I have received at least a dozen inquiries from all parts of the country both male and female, wishing to know about our program. Some are committees to the extent of coming to spend the summer in our program. If they like it and are impressed with the school and what it can offer them in their area of study, I am sure they will stay as full time students next year. Although I said it last year, I will say it again, we need the "swim-minded" so as we can turn out as a team and take part in our first dual meets. That could be the next school year--hopefully.
