Her bicycle is the love of her life. She is also the spiritual leader of the team.

This year's Lady Volleyball Nor'Westers may have a lot of new faces on the court but it also possesses a wealth of talent.

Claude Lapre is expecting great things from the team this 1992-93 season. He is looking to finish in the top two in the OWIAA West Division, and improve on last year's OWIAA tournament performance.

Last year's team posted the best results ever with a 12-2 record. The team finished second in the West Division, and tied its best performance at the OWIAA tournament with a 5th place finish.

Back in the line up for the Lady Nor'Westers is 4th year power hitter Kelly Breutigam. Kelly is coming back from an impressive 1991-92 season. She received many honours last year including an OWIAA Tournament All-star, West Division OWIAA All-Canadian Honourable Mention, and Lakehead University Athlete of the Year. In OWIAA player standings Kelly finished first in total kills, kills per game, total aces, and aces per game. The team is looking for Kelly to have another outstanding season this year. Also returning is 3rd year setter Jo-Anne Hood. Jo-Anne constantly gave 100% effort and showed her leadership on and off the court. She is a 2nd year captain and the team is expecting to look to her for leadership again this coming season. Geraldine Bergmans, a 3rd year middle blocker improved immensely from the beginning of the season to the end of it. She set a season record for Lakehead with 98 blocks. Geraldine also received an Academic All-Canadian for the second year in a row. Panda Edwards is a 2nd year power hitter who provided strength from the bench with her serving and defence. The team is looking for her to fill a greater role on the court this season. The rest of the 1992-93 team is made up of mostly 1st year players. These player are bringing to the team a great attitude and a huge desire to play volleyball.

With entry into extra tournament this year such as the Brock Tournament and the Queen's Invitational the team hopes to gain a bit more experience at the tournament level to help it succeed at the OWIAA Tournament at Carleton University this season.

The team is looking forward to its first league match on November 6th against Windsor. The Lady Nor'Westers are especially looking forward to their first home performance in the Thunderdome on November 13 against McMaster.
