Dave Siciliano

I think the 1978-79 Varsity Program is going to be one of the most exciting ever at Lakehead University.

Our soccer and field hockey teams have already made a good impression in G.P.A.C. Our wrestling team looks like it will be a very strong contingent. We have a record number of swimmers participating in our swimming and diving program. Our Judo team looks as strong as ever.

Our main spectator sports basketball and hockey with their numerous

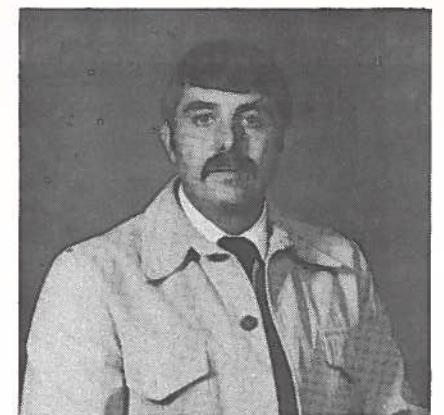

rookies in camp actually look like teams for the future. But with the tremendous potential and enthusiasm of these rookies and the expertise behind the bench, these teams will make a strong quest for G.P.A.C. honours. The only other ingredient necessary is your loyal support to spur them on to victory.

Our program provides athletes with the potential and desire to train to the fullest. We have fine facilities, equipment, schedules and coaches and thus feel we offer a quality program to any aspiring student athlete.

Lakehead has had a strong history in the field of Intercollegiate Athletics and will continue to strive to make it even better in the future. With the support of the administration, community and especially the student body it will grow to its maximum potential.

Hope to see you at the games.

Dave Siciliano
Athletic Director

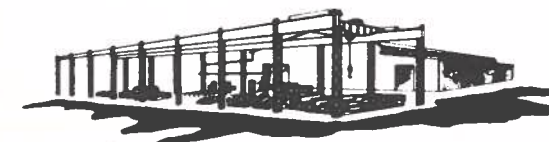

Norm LaVoie

We, the faculty and staff at Lakehead are extremely proud of our Athletic Program and the many fine student Athletes who have participated in the program. Our Athletes have competed successfully at both the national and international levels. We feel that Athletics is an integral part of the total educational process at Lakehead University.

Men's Basketball Players Profile

- John Zanatta**
"Big Zee"
#30
Captain
6'1", 178 pounds, 21 years of age, from Sault Ste. Marie, Ontario. #30 is a 3rd year guard swing man that is known for his floor leadership. Coach Punch says he is reliable, hard working, a coach's dream and easily one of Canada's 10 best floor generals. A top notch student and a perennial recipient of M.V.P. consideration, Faculty of Physical Education. Mirella, John's wife brings the Nor'Westers class and style off the floor and a rooter of the "Nth" magnitude.
- Al Tekonlemi**
"Elmo"
#20
Captain, Sault Ste. Marie.
25 years of age in his 5th and final year, starred for year 1 and 2 at the other L.U. in Ontario (Laurentian University), and this is his 3rd at Lakehead. This 6'4" Sault leaper can shoot from "downtown" on any given day with anyone in the country. Al is presently working towards his masters in Physical Education, is recently married to a lovely lady (Gloria) and is looking toward his finest year as a player and leader. Go get em HONDO.
- Jody Connor**
D.J.
#43
21 years of age, L.U.'s first disc jockey, M.C., newscaster, Howard "the mouth" Cosell. Number #43 is being counted heavily upon by Coach Punch to give L.U. defensive strength and offensive balance. Jody is a 3rd year Arts (English) student coming to L.U. for his first year from Queen's where he led the Gaels in scoring this past season. This Sudbury native should provide fans with much viewing pleasure in 78-79.
- Ned Janjic**
"Nood Nick"
#42
"NOODNICK", 18 years young, 210 pounds packed solidly into his 6'2½" frame. One of Ontario's finest high school graduated this past year. M.V.P. and all star selections in every tournament played. Out of Sudbury Secondary "North Stars" School (and one of Sudbury's) finest athletes in years. "Nood" (pronounced Nude) plays 6'6" and is a speedster with more moves than an Octopus on a date. This 18 year old #42 (going on 25 physically) is a definite possible candidate for the new David BALL Rookie of the Year Award being initiated this year.
- Mitch LaLonde**
"Rump"
#25
Captain
Our real 5th year man with all 5 at Lakehead. Number 25 has played under 3 coaches, but relishes this year as no other a/c of the speed and style the team will exhort. Hailing from Timmins and Ecole Theniault, the "Frog" is L.U.'s Mr. Hustle and Cheerleader. Look to more defense and offense than ever from Mitch as he strives to lead and exhibit the qualities his captaincy requires. It's on to teaching next year for this Faculty of Education graduate.
- Greg McLean**
"Hulk"
#33
"The Rookie", 19 years old, the pride of Thunder Bay Westgate Tigers. Coach Krawchuk from Westgate said he was coachable. Right on!!, agrees Coach Punch. The 6'7" rookie will provide local fans with pride and joy with his performances for years to come. Number 33 is fast earning himself more playing time as the year goes on.
- Harry Van Laar**
"Grizz"
#35
"Grizz", 6'7" tall. Harry hails from St. Catherines and starred with Governor Simcoe High School last year. Governor Simcoe won the All Ontario Triple A Championship with Grizz leading the way. This is Coach Punch's find and surprise of the year. Number 35 is in his first year but is a very mature, physical specimen at 220 pounds. Much of L.U.'s success this year will come from the success of Van Laar's rebounding and high post play.
- Dave Arsenault**
"Arse"
#24
"Old Man" (25), from Boston. A Massachusetts Small College All American from Colby College for 3 years. On to University of Prince Edward Island last year to lead the team in virtually every category. He is presently enrolled in the Faculty of Education and working towards the Masters program in Theory of Coaching. Number 24 will be expected to perform at star level and he has all the attributes to be a G.P.A.C. all star as well as All Canadian. Recently wedded to Ellie, one of the most comely of young wives to be found anywhere.
- Sean Taylor**
"Pretty Boy"
#44
"Pretty Boy" Taylor is 19 years of age, 6'5" and a prolific leaper. A walk on surprising everyone to date with his improvement. This 1st year Whitby native starred at Whitby last year when they (Whitby) were All Ontario High School Double A Champions, defeating Peterborough by one point. Number 44 is expected to challenge for starting spot as the year goes on. Sean is toiling in year one, majoring in Psychology.
- Dave Poon Tip**
"Poon"
#21
Wearing his age (21) this speedy 5'10" walk on from Calgary is surprising everyone with his offensive ability to date. In first year Business and Commerce the Pooner is expected to improve and put much pressure on the starting guards early in the campaign.
- Keith Dailey**
"Slick"
#34
Number 34 is just 21 years old and the Nor'Westers real rookie. In 2nd year Geology, this 6'2" 180 pounder has never played organized ball before. Hailing from Princess Town, Trinidad, and sporting a "chrome dome" (bald pate) Keith has been showing a remarkable affinity to the game.
- Robert Viola**
Assistant Coach, hails from Boston, Mass. and went to grade and high school with Dave Arsenault. Studying double Geography at the Faculty of Education and bringing Coach Punch the help he needs to make this year successful. According to Coach Punch "he (Viola) is as invaluable as a right arm. He wants to learn coaching techniques and is truly an untiring, supportive person for our team. We need everything he gives us (except his accent), and I really could not do it all without him."

Lakehead University Wrestling Team Profiles

This coming season Coach Bob Thayer has good reason to be optimistic about the upcoming season. The list of returning veterans include many of Canada's top wrestlers.

Heading the list is Thunder Bay native Steve Daniar, a recent gold medalist at the Commonwealth Games. Daniar is a Senior Canadian Champion and he will compete this year in the 198 pound division. A very exciting wrestler who returns to Lakehead is Sean Barry. This past August Barry competed in the World Championships in Mexico City. Barry finished a very respectable seventh place. Also returning for another year is Clark Davis. Davis is a senior national champion and will compete in the 180 pound division this season. In the same weight division is Dan Muckle a senior who looks very impressive this year. Muckle has been working extremely hard all summer and this certainly improved his performance. A potential national champion, Phil Colyer has recovered from a bad injury to his ankle and looks extremely impressive in practice. Colyer was a graduate of Lakeview High School where he was coached by Reino Niemi. Colyer is a graduate student at Lakehead. Another graduate student who will be competing for Lakehead for the last time is last year's team captain, Nick Cipriano. Cipriano was senior Canadian Champion last season and hopes to repeat this year. Two other wrestlers who made their presence felt on the national scene were Rainy River native Mark Jodoin and Thunder Bay native Randy Budner. Budner finishing with a silver medal is last year's Senior Canadian Greco Champion. A championship he hopes he can duplicate this year.

Other veterans returning who should perform well this year are Dale Adams at 126 pounds, Chris Foote at 134 pounds and Roger Sampson in the 148 pound class. In the heavy weight division sophomore Andy Jackson a 6'5" 260 pounder should do well at the national level.
