## THE NATIVE LANGUAGE MINOR AT LAKEHEAD UNIVERSITY

Lakehead University, located in the heartland of Ojibwe country, offers a series of Native language courses and programs through the Department of Languages and the School of Education. These courses and programs are intended to help maintain the vitality of Native languages in Ontario, to improve understanding of Native languages through teaching and research, and to introduce Native languages to those who wish to learn them through introductory and more advanced courses.

Students at Lakehead University may obtain a Minor in Native Languages by taking an appropriate series of courses. A list of the courses being offered this year appears below.

There are TWO paths for obtaining the Native Language Minor.

The first is intended for fluent speakers of a native language (usually Ojibwe or Cree).

The second is intended for individuals who wish to learn a native language, or to improve their fluency in a native language.

## PROGRAM REQUIREMENTS FOR FLUENT SPEAKERS

1. The equivalent of ONE full first year "AL" course. This requirement may be satisfied by taking AL 1210 and 1230, OR by taking AL 1212 and 1232 (Note: AL 1212 and 1232 are normally only offered during the summer session).

2. An overall average of 60% in the equivalent of THREE full courses beyond the first year level. This may be met by taking a combination of "AL" courses AND/OR "NL" courses. In consultation with the Coordinator, Native Language Programs, special combinations of courses may be designed.

## PROGRAM REQUIREMENTS FOR SECOND LANGUAGE LEARNERS AND NONFLUENT SPEAKERS

1. The equivalent of ONE full first year "OJ" course. This requirement is satisfied by taking OJ 1010 and OJ 1012.

2. An overall average of 60% in the equivalent of THREE full first year courses beyond the first level. This requirement may be met by taking a combination of "OJ" courses AND/OR appropriate "NL" courses. In consultation with the Coordinator,

Native Language Programs, special combinations of courses may be designed.
